

Practice CPC Exam Package Review - 150 Question CPC Practice Exam, Answer Key, With Full Rationale, Medical Coding Certification Study Guide

By [Katherine Dawson](#)

What I like most about this [CPC Practice Exam Package](#) is that the full answers and rationales are given for all 150 questions. It also refers you to the relevant part of your textbook. They also provide the answer keys to each CPC exam question, so you can go through each one and see if your rationale is correct when testing yourself. I also found the CPC Exam Study Guide very helpful as it summarizes the whole textbook for you. As the CPC exam is an open book exam, you can actually mark your book or highlight the important texts or codes to help you search for the codes faster during the test. Do practice answering all 150 questions of the practice test within 5 and a half hours, make it to 5 hours if you can so you will have time to go back and check your answers.

The [CPC Medical Coding Practice Exam](#) is delivered as an electronic download (in the PDF format), which means it's **instantly accessible** after purchase. The good news is that it's priced at **only \$37**.
