What You Always Wanted Kristin Rae,2016-03-29 For fans of Becky Albertalli and Ali Novak comes a fun flirty romance about navigating first love and the challenge of letting go of perfection Classic Hollywood and high school collide in this charming teen romance about finding love where you least expect it Maddie Brooks has always dreamed of a romance straight out of a classic Hollywood film complete with her very own silver screen heartthrob But she never expected to find that in her new neighbor Jesse Morales is a lot of things star pitcher for the baseball team a member of the popular crowd her friend s gorgeous older brother but he s not the kind of boy Maddie pictured herself falling for She s always had her heart set on someone who is as into theatre as she is and jocks are so not her style Then Maddie discovers that Jesse was raised as a dancer and that he might just be what she s been looking for after all as long as she can convince him to take the stage again But when it becomes clear that baseball not dance is Jesse s passion Maddie is faced with a choice should she hold out for the romance of her dreams or let herself fall for the boy who s unexpectedly taken her heart Precious Perversions Tison Pugh,2016-03-21 The tragic sentiment of Southern literature and its heteronormative perspective are foundational attributes generally accepted by both popular and scholarly audiences Yet a pantheon of great authors ranging from like Tennessee Williams Carson McCullers and Truman Capote to present day voices of Alice Walker John Waters and David Sedaris collectively attest to both the vibrancy of queer experience and the prevalence of humor found in this rich regional cannon In Precious Perversions Humor Homosexuality and the Southern Literary Canon Tison Pugh challenges the premises that elevate William Faulkner and diminish Florence King that esteem Walker Percy yet marginalize David Sedaris by arguing for the inclusion of gay comic authors as long standing defining voices in the field By redefining the tenets of

Southern literature Pugh reveals long overlooked or discounted aspects of gay humor within the South's literary realm. Noting for example that Tennessee Williams is revered as a dramatist who probes the heart of the human condition rather than for his submerged camp humor and Truman Capote's comic cinema and literature never eclipsed serious works Pugh establishes a history of mainstream and academic critique that ignored queer humor. Likewise Florence King and Rita Mae Brown wrote defining narratives of Southern lesbian experience in respectively *Confessions of a Failed Southern Lady* and *Rubyfruit Jungle* yet according to Pugh they are almost entirely neglected in accounts of the literary South. More recently the author shows the critical reception of Dorothy Allison's *Bastard Out of Carolina* testifies to an overarching interest in the traumatic aspects of her poetry and fiction rather than in her humor and its cathartic power. Pugh also asserts that David Sedaris as a writer of the post-Southern South who appears to fall beyond the parameters of regional literature for many readers creates a new humorous vision of the region that recognizes both its pained history and its grudging accession to modernity. Drawing from works of key southern writers Pugh sets forth a new vision of Southern literature emerges one illuminated by the humor of gay voices no longer at the margins.

His doctors don't know whether he'll get his vision back, and he's deeply depressed. Carley can relate: She's been scarred by a facial deformity but she's keeping that a secret from Kyle. Don't Die My Love: Julie Ellis and Luke Muldenhower describe themselves as meant for each other. Now in high school, they are deeply in love. Luke is a talented football player and is sure to receive an athletic scholarship to a top college, and Julie intends to follow. When Luke gets a virus, Julie persuades him to see a doctor. The test results are devastating. But Julie believes their love is stronger than anything. Or is it? A Rose for Melinda: Jesse and Melinda have been friends since the first grade. When Jesse and his mom move to California, he and Melinda bridge the miles with e-mail.
