Porter, 2010-12-24 A hundred years after A Schweitzer s Von Reimarus zu Wrede the study of the historical Jesus is again experiencing a renaissance Ongoing since the beginning of the 1980 s this renaissance has produced an abundance of Jesus studies that also display a welcome diversity of methods approaches and hypotheses The Handbook of the Study of the Historical Jesus is designed to handle this diversity and abundance Drawing from first class scholarship throughout the world the four large volumes of the Handbook offer a unique assembly of leading experts presenting their approaches to the historical Jesus as well as a thought out compilation of original studies on a large variety of topics pertaining to Jesus research and adjacent areas

[The "Man Christ Jesus"](#) Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person

of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus

Bombaro, Adam Francisco, 2016-10-31 In the first century the resurrection fact faced both Jewish and Greek audiences with a challenge the challenge of a new reality Christ the risen Lord Since facts are by definition something that happened and this happening was witnessed proclaimed and recorded the fact stands for all generations In answering critics a defense of the resurrection consists not only of a response by way of negation e g Christianity is not this but also through positive affirmations this is Christianity In this book the reader will find both However it is our hope that the final word retained would be the one that stands for something rather than against something Together our words stand for something positive not negative namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection Trustworthy Benjamin Shaw, 2024-07-30 How do we know the New Testament is reliable In this clear introduction Dr Ben Shaw systematically surveys key scholarly topics related to the New Testament's historical credibility Concise chapters provide guidance for exploring a wide variety of evidence including archaeology authorship text criticism and non Christian sources **Hellenistic Dimensions of the Gospel of Matthew** Robert S. Kinney, 2016-04-11 In the search for Matthean theology scholars overwhelmingly approach the Gospel of Matthew as the the most Jewish Gospel Studies of its Sitz im Leben focus on its relationship to Judaism whether arguing from the perspective that Matthew wrote from a cloistered Jewish community or as the leader of a Gentile rebellion against such a Jewish community While this is undoubtedly an important and necessary discussion for understanding the Gospel it often assumes too much about the relationship between Judaism and Hellenism via Martin Hengel Robert S Kinney argues for a hybridized perspective in which Matthew's attention to Jewish sources and ideas is not denied but in which echoes of Greek and Roman sources can be observed focusing on identifying Matthew's use of rhetoric and its possible echoes of Greco Roman philosophical disciple gathering teachers Walking Orderly, Keeping the Law G. Scott McKenzie, 2024-10-29 Did the apostle Paul teach a law free gospel or did he affirm the continued relevance of the Torah for Christians Acts 21 20 26 directly tackles this question In this passage Paul and James confront accusations that Paul taught followers of Jesus to forsake Moses How did they respond

to these accusations and what does their response teach us about Paul's perspective on the Law of Moses In this short book Dr G Scott McKenzie challenges the traditional antinomian interpretations of Acts 21:20-26 and encourages readers to explore a pronomian pro law perspective With fresh insights and careful scholarship this work invites believers to reexamine the role of the Torah in Christian faith and practice **Paul and the Law** Brian S. Rosner,2013-05-14 Brian S Rosner seeks to build bridges between old and new perspectives on Paul with this biblical theological account of the apostle's complex relationship with Jewish law Rosner argues that Paul reevaluates the Law of Moses including its repudiation as legal code its replacement by other things and its reappropriation as prophecy and wisdom *AAR/SBL Annual Meeting Program* American Academy of Religion. Meeting,1998 *The Acts of the Risen Lord Jesus* Alan J. Thompson,2013-03-05 Instead of using Acts as a proof-text for contemporary debates about speaking in tongues or church government this New Studies in Biblical Theology volume offers a biblical theological framework meant to expose Luke's own purposes and themes We find that Luke wanted to be read in light of both the Old Testament promises and the reign of Christ in the inaugurated kingdom of God *Enacting Atonement* Roy McDaniel,2025-11-04 Discover the story of salvation in Christ through Levitical rituals Atonement lies at the heart of the Christian faith In Christ's work of atonement we are reconciled to God enabled to draw near to him and can see his glory Through studying the Levitical burnt offering Roy McDaniel takes readers on a deep exploration of Leviticus 1:1-9 in this thought provoking volume part of the Studies in Christian Doctrine and Scripture series from IVP Academic Using elements of narrative analysis like setting plot and hero McDaniel shows how the Levitical burnt offering is a ritual recapitulation of the narrative of Israel's election and deliverance as depicted in Genesis and Exodus and how in doing so it proclaims the atoning work of Christ At the heart of this work lies the logic of atonement present in the Levitical burnt offering an idea that contributes to the doctrine of atonement by demonstrating how Christ's incarnate sacrifice is rooted in his eternal identity as God the Son In *Enacting Atonement* Roy McDaniel Provides a coherent account of atonement centered on the eternal identity of the Son Shows how Levitical sacrifice can inform the church's doctrine of atonement by modeling a careful theological exegesis of Leviticus and Explores questions about the meaning of sacrifice and its relationship to the being and attributes of God Whether you're a scholar student pastor theologian or a layperson seeking deeper understanding *Enacting Atonement* invites you to uncover the rich tapestry of God's redemptive narrative in the Levitical ritual *Original Sin* Henri Blocher,2000-10-02 In this New Studies in Biblical Theology volume Henri Blocher offers a philosophically sophisticated treatment of the biblical evidence for original sin interacting with the best theological thinking on the subject and showing that while the nature of original sin is a mystery only belief in it makes sense of evil and wrongdoing **Bethlehem to Patmos: The New Testament Story (Revised 2013)** Paul Barnett,2013-03-08 The historian Paul Barnett examines the New Testament story and beyond in this revision of his bestselling work *Bethlehem to Patmos* Through this fascinating journey he shows that the New Testament is historically reliable on the life of Jesus and the

early experiences of the nascent first century church I am thrilled that Paul Barnett's time honoured orientation to the New Testament will continue to find an audience with this new edition. In an age in which religion is frequently evaluated by the sound bytes of its most eccentric representatives it is essential to find a reliable guide to the actual documents that underlie the Christian faith. Barnett's familiarity with the documents, sane historical judgement and engaging storytelling make him just such a guide. The work moves swiftly from the events that opened the New Testament era to those that brought it to a close. Along the way Barnett shows how these events relate to scholarly understanding of the era, what was at stake in interpreting and committing these events to writing and why these events continue to have significance. The book is immensely useful as a solid orientation for students of the New Testament and I commend it gladly. Matthew R. Malcolm Head of New Testament, Trinity Theological College, Western Australia.
