Just Choose Happiness Nell W. Mohney,2010-10-01 Nell W Mohney adapted from the Introduction In seminars I have conducted over a thirty year period I have discovered that the quality most wanted by Americans is happiness Many of those seminar participants drove to the seminars in luxury cars and they looked well fed and well dressed Yet individually they often expressed disappointment with life and admitted to having a feeling of emptiness They wanted and even felt entitled to more happiness I am one of those who truly believe that the basic answer to happiness is a spiritual one We are made for God and as Saint Augustine said Our hearts are restless til they rest in thee All parts of our personalities are drawn to wholeness and happiness when Christ is resident within In studying the life of Christ I remembered that although Jesus was a man of sorrow and acquainted with grief more than anything else he was a person of joy and happiness Even his purpose in coming into the world is revealed in John 10 10 I came that they might have life and have it abundantly This abundant life I believe is not just in the world to come but in the here and now where a series of committed choices can cause your spirit to sing

accomplishment that came before At that point as the scientist that I am I knew that my duty to the world was to write down every one of my thoughtforms to share with humanity because my thoughtforms allow all to live their Christ selves effortlessly because they actually make up the divine superstructure of the universe So in reading these thoughtforms they are being activated in your true awareness so that you are able to consciously understand what makes up the original Christ mind and what bridges the gap into your real Christ self This book is part 1 of the construction of the fifth dimension because as Christ I was able to defeat Satan in the Battle of Armageddon I will describe in depth how that happened and that started the fifth dimension of which these thoughtforms are the divine bolts that were invented by me to allow us effortless divinity
