Jesus Of Nazareth From The Baptism In The Jordan To The Transfiguration:

Jesus of Nazareth Pope Benedict XVI, Joseph Ratzinger, 2007-05-15 This book is my personal search for the face of the Lord Benedict XVI In this bold momentous work the Pope in his first book written as Benedict XVI seeks to salvage the person of Jesus from recent popular depictions and to restore Jesus true identity as discovered in the Gospels Through his brilliance as a theologian and his personal conviction as a believer the Pope shares a rich compelling flesh and blood portrait of Jesus and incites us to encounter face to face the central figure of the Christian faith From Jesus of Nazareth the great question that will be with us throughout this entire book But what has Jesus really brought then if he has not brought world peace universal prosperity and a better world What has he brought The answer is very simple God He has brought God He has brought the God who once gradually unveiled his countenance first to Abraham then to Moses and the prophets and then in the wisdom literature the God who showed his face only in Israel even though he was also honored among the pagans in various shadowy guises It is this God the God of Abraham of Isaac and of Jacob the true God whom he has brought to the peoples of the earth He has brought God and now we know his face now we can call upon him Now we know the path that we human beings have to take in this world Jesus has brought God and with God the truth about where we are going and where we come from faith hope and love

Historical Jesus, Volume 2 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

Understanding the Faith Michael A. Garcia, 2017-04-07 Out of the shadows of Pope John Paul II the Great comes an invigorating look at the Catholic faith Father Michael Garcia takes a broad and sometimes overwhelming topic Roman Catholic theology and makes it user friendly for all Having studied and taught theology for over twenty five years I find this book as the spark needed to fuel those searching for answers to the Catholic faith Beginning from the standpoint of salvation history Father Michael Garcia's text takes the reader from the Fall to the Resurrection awakening interest in students lacking theological acumen In just a few pages Father Michael Garcia delivers practical advice to living a life worthy of the trip to salvation This brevity in unveiling religious truth is bound to captivate the reader Miracles were never intended to be simply signs of power or solutions to impossible problems but rather opportunities for change and conversion This line from Father Michael Garcia's new book is just one sample of the ingenious way that the author simplifies complex ideas motivating even the average reader to discover more Whether the audience consists of accomplished theologians or recent converts to the Roman Catholic faith this book quenches the readers desire for knowledge and religious understanding Father Michael Garcia's text is certain to imbue his readers with a fresh perspective regarding their faith It is not only a theological primer but also a practical look at how to apply the consistent church teaching to the realities of life in the twenty first century When readers put down this book they will have picked up an appreciation of the Catholic faith [The Metaphysics of Historical Jesus Research](#) Jonathan Rowlands, 2015-10-15 In this book Rowlands interrogates the theological and philosophical

foundations of the Quest for the historical Jesus from Reimarus to the present day culminating in a call for greater metaphysical transparency and diversity in the discipline This multidisciplinary approach to historical Jesus research drawing on historiography sociology philosophy and theology makes a significant and original contribution to the field Part I outlines the implicit role of metaphysical presuppositions in historical methodology by examining the concept of an historiographical worldview Part II provides an overview of the Quest for the historical Jesus demonstrating that the disparate historiographical worldviews operative in the Quest evidence a particular shared characteristic in that they might accurately be described as secular Rowlands study concludes with a call for a greater plurality and openness regarding the philosophical and theological presuppositions at work in historical Jesus research The Metaphysics of Historical Jesus Research is of interest to students and scholars working on New Testament studies and historical Jesus research

Reconfiguring Thomistic Christology Matthew Levering, 2023-03-30. In this book, Matthew Levering unites eschatologically charged biblical Christology with metaphysical and dogmatic Thomistic Christology by highlighting the typological Christologies shared by Scripture, the Church Fathers, and Aquinas. Like the Church Fathers, Aquinas often reflected upon Jesus in typological terms, especially in his biblical commentaries, just as the New Testament does. Showing the connections between New Testament Patristic and Aquinas' own typological portraits of Jesus, Levering reveals how the eschatological Jesus of biblical scholarship can be integrated with Thomistic Christology. His study produces a fully contemporary Thomistic Christology that unites ressourcement and Thomistic modes of theological inquiry, thereby bridging two schools of contemporary theology that too often are imagined as rivals. Levering's book reflects and augments the current resurgence of Thomistic Christology as an ecumenical project of relevance to all Christians. Turn to the Lord

Leonard J. DeLorenzo, 2021-08-15. God calls each of us to a life of goodness, and our yearnings to become more like God invite us to lifelong practices of conversion. The sacrament of confirmation is a pivotal moment anchoring a Catholic's commitment to God. But do our current sacramental preparation programs really inspire candidates to turn toward the Lord? Leonard J. DeLorenzo demonstrates how preparation for Confirmation can be life-giving for both candidates and those who accompany them. Turn to the Lord: Forming Disciples for Lifelong Conversion empowers parents, confirmation sponsors, and all who contribute to the holistic formation of young people to share the goodness of God in ways that shape hearts, minds, hands, and habits.

The Baptismal Episode as Trinitarian Narrative Hallur Mortensen, 2020-11-09. Hallur Mortensen examines the concept of God in Mark's Gospel with particular emphasis on the baptismal scene of 1:9-11. This, he closely relates to the beginning and end of the prologue (1:2-3 and 1:14-15) concerning the coming of the Lord, the gospel, and the kingdom of God. The allusions of the divine voice to Psalm 2 and Isaiah 42 reveal the function and identity of Jesus as the Son of God and thus also of God as the father of Jesus. The identity and descent of the Spirit at the baptism as an anointing is discussed in detail and has a critical function in the coming of the kingdom and the defeat of Satan. These aspects are examined in the context of Jewish monotheism and what Hans W. Frei calls the intention-action description of identity: that being is constituted by action. And Mortensen thus argues that Mark's Gospel portrays a proto- and narrative trinitarian conception of God.
