## **Jesus Agrees Atheists Least Things:**

*Jesus Agrees with Atheists...Well, at Least on Some Things.* J Roman,2015-12-25 Why do people usually get angry when talking about religion In most cases it s the I m right and you re wrong attitude that makes people go on the defensive when they discuss religions In this book you will learn how to avoid getting into heated discussions since you will actually be agreeing with atheists on their beliefs while at the same time affirming the truths found in the Bible Discover how the arguments that many atheists use actually concur with the Bible This book is a great tool to learn how to defend the Christian faith in a way that will not put atheists on the defensive The purpose of this book is to encourage fellow Christians to persevere in the faith in the midst of a faithless generation and to teach them another method of defending their beliefs This book was also written with the purpose of reaching the atheists that are open minded enough to hear the opposing side The desire is to spark faith into the atheist s heart and encourage them to seek God on their own so that they too will obtain the eternal life promised to those who believed since the foundation of creation

### **Questioning the Historicity of Jesus**

Raphael Lataster,2019-07-01 This volume moves beyond the mainstream scholarly scepticism over the Christ of Faith and considers if there is sufficient evidence to establish the existence of the more mundane Historical Jesus Using the logical tools of the analytic philosopher Lataster finds that the relevant sources are unreliable as historical documents and that the key method of those purporting that the Historical Jesus existed is to appeal to sources that do not exist Considering an ancient hypothesis suggesting that Jesus began as a celestial messiah that certain Second Temple Jews already believed in and was later allegorised in the Gospels Lataster discovers that it is more reasonable to at least be agnostic over Jesus historicity

The Gospel According to Christ Mark A. Stelter,2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians
