Jesus Gnosis And Dogma:

Jesus, Gnosis and Dogma Riemer Roukema, 2010-04-22 Roukema sets out to investigate and assess the various views of Jesus in early Christianity basing his approach on a distinction between historical and theological statements about Jesus

History of Dogma Adolf von Harnack, 1902 **History of Dogma, Volume 1** Adolf Harnack, 2020-04-30 This classic by Harnack was an epoch making historical work that set the standard for any history of doctrinal development Harnack locates the origins and traces the development of the authoritative Christian doctrinal system from its beginnings down to the Reformation with a brief survey of later developments through 1870 *History of Dogma, 7 Volumes* Adolf Harnack, 1997-11-12 This classic by Harnack was an epoch making historical work that set the standard for any history of doctrinal development Harnack locates the origins and traces the development of the authoritative Christian doctrinal system from its beginnings down to the Reformation with a brief survey of later developments through 1870 **Jesus and**

YHWH-Texts in the Synoptic Gospels Scott Brazil, 2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology *Orthodoxy and Heresy in Early Christian*

Contexts Paul A. Hartog, 2015-01-30 Eighty years ago Walter Bauer promulgated a bold and provocative thesis about early Christianity He argued that many forms of Christianity started the race but one competitor pushed aside the others until this powerful orthodox version won the day The victors re wrote history marginalizing all other perspectives and silencing their voices even though the alternatives possessed equal right to the title of normative Christianity Bauer's influence still casts a long shadow on early Christian scholarship Were heretical movements the original forms of Christianity Did the heretics outnumber the orthodox Did orthodox heresiologists accurately portray their opponents And more fundamentally how can one make any objective distinction between heresy and orthodoxy Is such labeling merely the product of socially situated power Did numerous valid forms of Christianity exist without any validating norms of Christianity This collection of essays

each written by a relevant authority tackles such questions with scholarly acumen and careful attention to historical cultural geographical and socio rhetorical detail Although recognizing the importance of Bauer s critical insights innovative methodologies and fruitful suggestions the contributors expose numerous claims of the Bauer thesis in both original and recent manifestations that fall short of the historical evidence With contributions from Rodney Decker Carl Smith William Varner Rex Butler Bryan Litfin Brian Shelton David Alexander Edward Smither Glen Thompson *History of Dogma, Volume 1* Adolf von Harnack,2023-08-22 Adolf von Harnack s History of Dogma Volume 1 is a groundbreaking work that delves into the development of Christian doctrine during the early centuries of the church Von Harnack s writing is marked by its meticulous research and scholarly analysis making it an essential read for anyone interested in the history of Christianity The book provides a comprehensive overview of the different theological debates controversies and creeds that shaped the theological landscape of the period offering valuable insights into the evolution of Christian thought Von Harnack s clear and concise writing style makes this complex subject matter accessible to readers of all levels of expertise This volume serves as a foundational text for the study of early Christian theology and serves as a valuable resource for scholars and students alike Adolf von Harnack a distinguished theologian and church historian was known for his extensive research on the history of Christianity His deep knowledge and expertise in the subject matter are evident throughout the book providing readers with a thorough and enlightening exploration of the development of Christian doctrine **The Touch of the Sacred** Gerrit Immink,2014-08-03 All over the world Christian communities meet on Sunday morning for worship But what really happens during a worship service How do worshipers participate in the service What does it mean to sing pray and celebrate the Lord s Supper together What do worshipers do when they listen to a sermon In The Touch of the Sacred Gerrit Immink offers thoughtful theological reflection on the religious practice of worship services in the Protestant tradition He develops a theology of worship with a clear focus on the death and resurrection of Jesus Christ as he explores the meaning of worship the mystery of Christ the sacraments prayer and preaching Ultimately he says something dynamic happens when a church congregation speaks and acts it is touched by the sacred by a very encounter with the living God *Gnostic Religion in Antiquity* R. van den Broek,2013-01-24 An examination of Gnostic religion in Late Antiquity within its historical and religious context using Greek Latin and Coptic sources *Caesar Ate My Jesus* Meg Gorzycki,2017-06-09 What the hell happened on the way to making the world a better place We boomers were told our success would be unlimited We had democracy and capitalism and God was on our side We took our religious teachings seriously and set out to end bigotry violence and destitution Inevitably we collided with American Caesars whose power and wealth was sufficient to dominate national and international affairs Political and religious Caesars appropriated Jesus and used him to justify war sexism racism dictatorships and poverty What were the faithful to do Lots of boomers I know tossed the spiritual baby out with the religious institution s bathwater and became cynical about civic engagement It is not time to abandon hope in our

goodness however and it is not time to surrender our conscience to Caesar Our experiences as boomers teach us that it is possible to bring the love of God to bear in our lives despite Caesar s constant pressure to cherish power wealth celebrity and things more than we cherish people This book is for folks who are ready to get off Caesar s treadmill and dig deeply into their hearts and minds to see what remains of the Kingdom of God within [Learning Messiah](#) Edjan Westerman,2018-09-27

Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jew ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God s way anew and to walk in it **The Contemporary Review** ,1877 **Is there a Judeo-Christian Tradition?** Emmanuel Nathan,Anya Topolski,2016-03-21 The term Judeo Christian in reference to a tradition heritage ethic civilization faith etc has been used in a wide variety of contexts with widely diverging meanings Contrary to popular belief the term was not coined in the United States in the middle of the 20th century but in 1831 in Germany by Ferdinand Christian Baur By acknowledging and returning to this European perspective and context the volume engages the historical theological philosophical and political dimensions of the term s development Scholars of European intellectual history will find this volume timely and relevant *Spes Christiana* 2020-01 Reinder Bruinsma,2021-02-26 *Spes Christiana* is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars *The Historical Reliability of the New Testament* Craig L. Blomberg,2016-11 This book is a fully stocked toolbox for anyone interested in whether we can still trust the New Testament in the twenty first century **The Gospel according to Heretics** David E. Wilhite,2015-10-13 Since what Christian doctrine denies can be as important as what it affirms it is important to understand teachings about Jesus that the early church rejected Historians now acknowledge that proponents of alternative teachings were not so much malicious malcontents as they were misguided or even misunderstood Here a recognized expert in early Christian theology teaches orthodox Christology by explaining the false starts heresies making the history of theology relevant for today s church This engaging introduction to the christological heresies is suitable for beginning students In addition pastors and laypeople will

find it useful for apologetic purposes **Creation and Salvation** E. M. Conradie, 2012 Christians trying to save the planet have to relate creation with salvation This volume explores the ways in which classic theologies have approached these tasks

The Firstborn Son in Ancient Judaism and Early Christianity Kyu Seop Kim, 2019-01-28 Despite scholars ongoing historical and sociological investigations into the ancient family the right and the status of the firstborn son have been rarely explored by NT scholars and this topic has not attracted the careful attention that it deserves This work offers a study of the meaning of the firstborn son in the New Testament paying specific attention to the concept of primogeniture in the Old Testament and Jewish literature This study argues that primogeniture was a unique institution in Jewish society and that the title of the firstborn son indicates his access to the promise of Israel and is associated with the right of the inheritance i e primogeniture including the Land and the special status of Israel The Jesus Mysteries Timothy Freke, Peter

Gandy, 2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations The Jesus Mysteries deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable

Gregory of Nyssa: Contra Eunomium III. An English Translation with Commentary and Supporting Studies Johan Leemans, Matthieu Cassin, 2014-07-24 Gregory of Nyssa's *Contra Eunomium* one of the major books on trinitarian theology of the 4th century documents the exchange between Eunomius and the Cappadocian Father in the last episode of the so called Arian Crisis The present volume is devoted to the third and last book of *Contra Eunomium* It offers a fresh English translation with a running commentary in the form of ten studies by first rank specialists Seventeen shorter papers enlighten various aspects of *Contra Eunomium* and other writings of the same author The contributions will be of interest for scholars of historical and systematical theology philosophy spirituality rhetoric and the history of the Early Church
