Jesus Saves Moses Invests Money Motivation And Management:

Jesus Saves! Moses Invests Vic Schober,2015-10-01 Jesus Saves Moses Invests are certainly two shocking sentences side by side aren't they When I first saw them presented as they are I was confounded and conflicted as I explain more fully in chapter one But out of this confusion I came to more clarity on just what the Lord wanted me to know about savings and investments in several areas of my life including my finances In the various chapters of this book I have attempted to cover a number of topics that can occur in one's life in reference to properly managing finances possessions positions profits and a host of other things that come our way when we buy up opportunities as they are presented to us I have learned through many years of living in good times and bad times up times and down times that there is more to life than gathering an abundance of things in what the advertisers like to call the good life that you deserve I have been greatly blessed to have all that I need plus the extras as the parable says enough and to spare It is the spare that I talk about in this book What to do with the extras that I have been allowed to possess Investing is a grand topic It envisions planting and reaping a greater harvest Abundance More of everything It promotes excitement in seeing little become much Who doesn't thrill to having greater success with every investment But as this happens there are questions that arise Questions like What will I do with this surplus How will I spend it or save it or invest it Who should I trust to help me manage it And a multitude of other considerations Please know that this book is not an exhaustive study or even an attempt to share advice in the area of investments but rather an agreement with the Lord that I would give my life full time to the ministry of the Gospel if He would help me to financially prosper enough to have a sufficient retirement in my latter years We both have kept the terms of our agreement My Lord is the best counselor partner that anybody could ever have in this life and in the life to come **The Advocate** ,2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Jesus on Money Charting a New Course** Larry Burkett,2000-10 **Rich In Heaven** Chris Mackey,2020-04-19 Don't settle for less than the Kingdom You know what you need to do Make more Spend less Get on a budget Pay down debt Invest for the future Oh and tithe don't forget to tithe If we're really holy we'll take our money goals and ask God to bless them His plan for us is to prosper right Rich in Heaven dares to ask what comes next for the First World Christian inviting you on a biblical journey exploring the stance Jesus takes on the almighty dollar Chris Mackey is down to earth humorous and thought provoking going beyond economic principles to tackle the topic of wealth from a heavenly perspective What does your financial outlook say about your God This exposé on the true riches of faithful stewardship doesn't let anyone off the hook addressing how to manage prosperity in light of the Gospel You will discover the currency of the Kingdom what the Bible really says about wealth and what it will look like when you're Rich in Heaven **Jesus on Money Making Mid-Course Corrections** Larry Burkett,Kay Moore,2000-10 *How Would Jesus Invest?* Gayle M.
