Dimont's Jews, God, and History* Everest Media,2022-04-23T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The first signs of civilization with all the classical symptoms appeared around 4500 B C In the third millennium B a great Semitic king named Sargon I conquered the Sumerians and formed the Sumerian Akkadian kingdom 2 The first people to be called Hebrews were the descendants of Terah who emigrated from the cosmopolitan city of Ur in Babylonia to the land of Haran in southern Turkey God promised Abraham that He would make him a separate and distinct people if he followed the commandments of God 3 The idea of a covenant between the Jews and God is still alive today It was Abraham who projected this experience onto an imaginary Jehovah but the fact remains that after four thousand years the idea of a covenant between the Jews and God is still alive 4 The Jews after they had been exiled from Egypt were forced to live as nomads They were given the Ten Commandments by Moses and they began to behave differently than the surrounding pagans They developed a ritual that was different from that of the surrounding pagans **Jews, God and History** ,1962

My Sons are Jewish Paula Clayman,2011-10-01 In her quest to discover the true nature of the question Who is a Jew author Paula Clayman emphatically unravels many exciting historical facets while tracing biblical lineages and exposing their valuable contributions *My Sons Are Jewish* takes you on a journey through the Old Testament and beyond following the story of the Jews as they carried forth the blessing of Abraham to all the people of the world Through revisiting the ancient text of the Bible and tracing the steps of the Jews an unbroken cord is exposed a cord that conveyed much more than their ancient traditions and heritage The cord brought forth the religion given to humankind which foreshadowed all that was to be and a promise of inheritance to all who choose to receive including Jews who return to their roots You will better understand Jewish history and how Christianity rather than being a new religion is a continuation of the religion of the Jews as given by God As a result Christians will better understand their own religious heritage and their Jewish spiritual roots while the

Jewish reader will see how Christianity arose from Judaism in its pure form *Who Owns the Land?* Stanley A. Ellisen, Charles H. Dyer, 2003 *Who Owns the Land* is an update of Stanley Ellisen's 1991 book examining Middle East conflict in light of the biblical prophecies concerning a Jewish state. It traces the Jews' journey through history and the events that led to their determined stand in Palestine today as well as the case made by the Palestinians themselves *The Jews in America* Max I. Dimont, 2014-06-10 A wondrous tale of American Judaism from the Colonial Era to the twentieth century by the acclaimed author of *Jews, God and History*. Kirkus Reviews: Beginning with the Sephardim who first reached the shores of America in the 1600s, this fascinating book by historian Max Dimont traces the journey of the Jews in the United States. It follows the various waves of immigration that brought people and families from Germany, Russia, and beyond, recounts the cultural achievements of those who escaped oppression in their native lands, and discusses the movement away from Orthodoxy and the attitudes of American Jews, both religious and secular, toward Israel. From the author of *Jews, God and History*, which has sold more than one million copies and was called unquestionably the best popular history of the Jews written in the English language by the *Los Angeles Times*, this is a compelling account by an author who was himself an immigrant, raised in Helsinki, Finland, before arriving at Ellis Island in 1929 and going on to serve in army intelligence in World War II **Moses, Muhammad and Nature's God in Early American Religious-Legal History, 1640-1830** R. Charles Weller, 2024-09-23 This is the first comparative study of Mosaic and Islamic law in American history to be published. Constructing a complex picture in trans-Atlantic, trans-European, and world historical perspectives, this book elucidates the intersections that lie beneath and behind the rise of the debates in the 1990s and 2000s over the promotion of the Ten Commandments and Mosaic Law as alleged sources of American Constitutional law and symbols of American national identity. These debates have taken shape in close connection with resurgent anti-Semitism, anti-Sharia protests, and anti-Sharia legislation throughout the United States and other Western societies **Jewish History and Divine Providence** Richard Kulick, 2001 Jewish history and the Holocaust present all who examine with a cloudy dark crystal that appears impenetrable. However, Judaism has a very sophisticated mystical system called Kabbalah or tradition which provides all the answers needed to make light illuminate the darkness noted above. The Kabbalah brings home the point that Jewish history indeed all human history begins and ends with human beings as the hands and eyes of God *Who Owns the Land?* Charles H. Dyer, Stanley Ellisen, 2024-10-01 *Who Owns the Land* That's the question being asked in homes and on college campuses all over the world. The conversations can be heated and fraught with tension. There are accusations, anger, and pain. Who is at fault? Are the Israelis occupiers and oppressors? We are seeing a rising tide of antisemitism across the globe. What is the history of this conflict? You may have looked to Google for some clarity, but a mere Google search is not able to provide sufficient understanding or answers to your questions. *Who Owns the Land* provides insight and knowledge behind the Arab-Israeli conflict. In addition to offering perspective on recent events, *Who Owns the Land* traces the journey of the Jewish

people through history and explains the events that have led to the current situation in the Middle East today This revised and updated version of Dr Stanley Ellisen s bestselling book examines the numerous Jewish migrations and expulsions the emergence of Zionism World War II and the Holocaust and a view of the Jews promised restoration Who Owns the Land helps readers place the current Middle East conflict in its proper historical context and enables us to interpret current events in light of the Bible

Imagining the Jewish God Leonard Kaplan,Ken Koltun-Fromm,2016-09-09 Jewish art has always been with us but so has a broader canvas of Jewish imaginings in thought in emotion in text and in ritual practice Imagining the Jewish God was there in the beginning as it were engraved and embedded in the ways Jews lived and responded to their God This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue A responsive living covenant lies at the heart of this book a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God The contributors to this volume are committed to this form of textual reasoning even as they all move us beyond the text as foundational for the imagined people of the book That people we submit lives and breathes in and beyond the texts of poetry narrative sacred literature film and graphic mediums We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call

A History of Jewish Philosophy in the Middle Ages Colette Sirat,1990-11-30 Jewish medieval philosophy has formed the subject of much research over the past thirty years since the appearance of Gutmann s Philosophies of Judaism resulting in greater understanding and a new need for summation This important work now available in paperback aims to supply that need and devotes ample discussion to the major figures of the period like Saadiah Gaon Maimonides Abraham Ibn Ezra and Judah Halevi It also gives much attention to the discussion and presentation of texts by lesser known authors clustering around the greater men and movements
