Joe And Charlie Big Book Study:

Utilizing Early A.A.'s Spiritual Roots for Recovery Today Dick B.,1999 Dick B is a writer historian Bible student retired attorney and recovered AA who has sponsored more than 100 men in their recovery and is actively involved in the fellowship He has devoted 18 years to researching reporting publishing and disseminating materials on the spiritual roots of Alcoholics Anonymous He is regarded as the leading historian on A A history today and has published 33 titles on the subject **Joe and Charlie: the Big Book Comes Alive** Linda R.,2016-07-30 Joe McQuany and Charlie Parmley who died in 2007 and 2011 respectively known as Joe and Charlie met in 1973 and spent the next three decades spreading their interpretation of the Big Book Most of those in the A A program are familiar with the duo These two Southern gentlemen are credited with making the program literature accessible to many who might have otherwise found the language archaic and just downright confusing Alcoholics Anonymous quietly considers Joe and Charlie to have had the most significant impact on AA in the last 30 years **The Little House on Genessee** John S. Fort Wayne Indiana,2012-10 John S turned his little house on Genessee Avenue in Fort Wayne Indiana into a place where he sponsored over the years a long series of alcoholics and addicts and led them to sobriety through Alcoholics Anonymous and the twelve steps Many of these people came from very rough backgrounds including hardened ex cons and people who rode in motorcycle gangs but what you see in them now is a combination of strength and gentleness of fearlessness and kindness and of what is still the old toughness but mixed now with a marvelous depth of love and spiritual presence In this book he and seven of the people he sponsored tell the story of how their alcoholism and addiction led them into lives of desperation and despair but how practicing a set of simple daily actions enabled them to recover from their seemingly hopeless affliction In John s early life he was a great sailor using St John in the Virgin Islands as his base and taking fast sailboats for adventure and commerce through the waters of the Southern Atlantic and Caribbean Sea He worked for many years at a special martial arts dojo and rode motorcycles which could outrun anything else on the road But in 1985 he put aside alcohol and drugs and by 1994 he was devising the method which he lays out in this book Eleven of the first twelve people he tried it on got sober and stayed sober It is built on the Big Book of Alcoholics Anonymous the Joe and Charlie tapes and the teachings of the good Fort Wayne physician Dr Zweig John boils it down into something so simple that anyone can understand how to do it And it works People all over John s part of the country have seen it work for the past 18 years again and again for the toughest the angriest the most rebellious and the most self destructive alcoholics and addicts in the world *The Seven T's* Judy Collins,2007-05-31 Beloved singer songwriter Judy Collins draws on her personal experience with her son s suicide to guide readers through grieving the loss of a loved one who has died under tragic circumstances The death of a loved one is always painful and the grieving process complex and profound Yet when the loss occurs under tragic circumstances there is a whole other set of emotional variables that the people left behind must face Questions abound such as Could I have stopped this Feelings of guilt shame and even anger

combine with the overwhelming sadness of losing someone who was dearly loved Drawing on her own experience of losing her son to suicide as well as her conversations with hundreds of people who have grieved the tragic death of a friend or family member revered singer songwriter Judy Collins has culled together seven powerful steps toward healing The Seven T s are TRUTH Tell it Regardless of how terrible the facts may be and how hard it is to talk about don t hide the truth about how you lost the person you loved TRUST Allow it Don t let the painful circumstances surrounding the death of your loved one prevent you from talking with friends about your loss THERAPY Get it Seek help whether through traditional talk therapy your art meditation or whatever method you choose but get the help you need TREASURE Hold on Don t stop treasuring your loved one Don t let the horrible events leading to his or her death wash away all of the things that were good and beautiful about that person s life THRIVE Keep living with your eyes wide open Don t give in to the temptation to use alcohol or any other addiction to blunt or blur your sadness TREAT Be kind to yourself Give yourself the gift of self nourishment TRIUMPH You must Live a life of joy abundance and forgiveness From a woman famous for her wisdom and compassion The Seven T s is destined to become a classic on the subject of grieving and loss *Why Early A.A. Succeeded* Dick B,2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today

They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today's room talk and literature There are plenty of books on Bible study There is none that addresses early A A's own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn't tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God's own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A's Program and successes *Joe and Charlie John Smith, 2014-12-27 The Joe Charlie Journey to Recovery in THE BIG BOOK COKMES ALIVE is a book that you'll want to read for your own Big Book AA recovery as well as get for your friend too* *Real Twelve Step Fellowship History Dick B., 2006* Put Your 12 Step Speakers Sponsors and Counselors to Work You may regularly listen to excellent speakers sponsors and counselors in 12 Step programs Chances are however that they probably rarely if ever talk to you about the origins history and practices of early pioneer recovery programs Why Because there are few histories to inform them few teachers to instruct them and too few people who really want to change Speakers can get lots of applause if they stick to their drunkalogs and make you laugh cry and maybe identify Sponsors have few resources that connect the dots Counselors feel safer telling you about your disease and taking the safe path handing out a Big Book a Twelve x Twelve and a devotional and sending you to outside groups and meetings What does this our book say It says that it is high time to take these talented and admired people to the schoolroom Three decades ago there was no place to look And if one of these people talked about history he or she usually talked about the party line that left out God left out the Bible left out the sources of the Twelve Steps and pointed to a program that simply said you didn't really have to believe anything at all just choose your own higher power and go to meetings We believe the many fine speakers sponsors and facilitators can and should get cracking They should pick up the accurate history books now available learn from them and talk about them Why Because they can then tell the afflicted exactly how and why the pioneers were cured and had a documented 75% to 93% success rate And those who teach you can also train you to look for yourself think for yourself and place your reliance on the Creator rather than teachers This new book tells you our history how to approach it how to teach it and how to use it **A New Way in** Dick B., 2006 The author Dick B is an active recovered A A member who has sponsored more than 100 men in their recovery He is a writer historian Bible student and Retired attorney He has published 30 titles 160 articles and 60 audio talks on the subject of A A

history and has traveled throughout the U S doing his research and gathering historical evidence He is widely sought as a speaker at history conferences recovery seminars and Christian recovery group meetings **The Language of the Heart**

Trysh Travis,2010-01-01 In *The Language of the Heart* Trysh Travis explores the rich cultural history of Alcoholics

Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA s beginnings in the mid 1930s as a men s fellowship that met in church basements to the thoroughly commercialized addiction treatment centers of today Travis chronicles the development of recovery and examines its relationship to the broad American tradition of self help highlighting the roles that gender mysticism and bibliotherapy have played in that development *The Steps We*

Took Joe McQ,2015-01-01 The words of this book s title are said aloud every day by thousands of people meeting together to help each other recover from addiction s the addictions may be to alcohol or cocaine gambling or food violence or sex but the path to recovery is the same The exciting thing about the Twelve Steps is that they teach us how to live Once we know the design of living and the principles of living a successful life we find that we not only get over the problems we see but we avoid many other problems we would have had To me the miracle is that all this was boiled down into twelve simple Steps that anybody can apply This is a book of plain spoken wisdom for people with addictions and people who love them Joe McQ has been a student of the Twelve Steps for more than three decades He like tens of thousands of others lives them every day one day at a time In *The Steps We Took* Joe takes us through them one Step at a time and helps us understand how they work and how they can change our lives **Living the Twelve Traditions in Today's World** Mel B.,Michael

Howard,William Butler Yeats,Henry van Dyke,Lucy Maud Montgomery,Anton Chekhov,Leo Tolstoy,Fyodor Dostoevsky,Alfred Lord Tennyson,George Macdonald,2023-12-20 *The Big Book of Christmas Tales* is a delightful and expansive anthology that captures the quintessential spirit of the holiday season through diverse literary forms and styles This collection presents an array of thematic explorations from the fantastical to the poignant capturing the myriad ways in which Christmas is celebrated and cherished With the vibrancy of prose the depth of poetry and the whimsy of childhood tales this volume offers a kaleidoscope of storytelling that seamlessly bridges classic and modern traditions An assemblage of narratives from sentimental tales and moral parables to adventurous escapades this anthology promises something for every reader Standout stories transport the reader to both familiar and mystical places capturing the essence of Christmas as both a folkloric festival and an intimate family affair Bringing together the talents of renowned authors from a variety of cultural and historical backgrounds *The Big Book of Christmas Tales* enlists

literary giants such as Charles Dickens, Louisa May Alcott, and Anton Chekhov to frame the anthology's thematic concerns. This collection is anchored by contributions from authors who have shaped literary traditions and influenced cultural perceptions of Christmas across continents and centuries. Beatrix Potter's charming tales sit comfortably alongside the reflective verse of William Wordsworth and the structured drama of William Shakespeare, creating a dialogue between the experiences depicted by ancient bards and contemporaneous observers. This anthology offers an unparalleled opportunity to explore a confluence of perspectives and storytelling techniques dedicated to the festive season. It is ideal for those who yearn to deepen their understanding of how Christmas narratives have evolved while consistently conveying values of love, generosity, and communal joy. *The Big Book of Christmas Tales* invites readers to immerse themselves in its rich tapestry of narratives, enhancing both individual reflection and family traditions during the holiday months. By engaging with this collection, readers gain both educational insight and an appreciation for the timeless enchantment embodied within each tale.
