Joe Cell Secrets:

Dangerous Secrets Val Ciardullo, 2014-10-06 The Phillip's family has always had three rules NEVER keep secrets NEVER break promises And ALWAYS have each other's back Two of these rules have been broken and now they can never turn back Bethany secretly dates behind her father's back but doesn't know that the boy she's dating is part of a gang Joe the son becomes involved with drugs and doesn't realize that he is dealing with the largest drug cartel in the county and their biggest buyer is someone that they all know The family becomes distraught when one member goes missing while another spins out of control It's an intense hunt in the dead of winter and time is not on their side when they find the car of the missing member in a place that no one would have ever expected it to be *Dangerous Secrets* contains some of the same characters as my first book *21 Black Roses*

The Secret of Simplicity Dan Kassera, 2010-10-20 Simplicity is a secret place located in another dimension which is parallel to our own world It's just one of many places that exist in the spirit world It's known only to the select few who have been tricked and abducted from this world and taken there That's in the belief that they had just won a free shopping trip to the Mall in Minnesota Unknown to them it is far more than that The Mall is really not in Minnesota but somewhere else in that other dimension Both very good and bad people are taken there Some of the really bad ones are imprisoned in that strange mall They are finally brought to justice in some very creative and appropriate ways Most are transported from there to a strangely quaint little river town called Simplicity Those people have all been taken there for very specific reasons Some find a little piece of heaven there A few others find themselves trapped in what for them is their own personal hell There is no escape and no plea bargaining Train visitors are recruited there to serve a vital cause once they return home That is the cause of freedom and liberty back in America That can only be achieved through well organized civil disobedience and perhaps armed rebellion A very creative new way has been found to actually make that work It's a way that big government control freaks are not prepared to deal with Simplicity is actually the planning and control center for that operation Its permanent residents are all freedom lovers eager to serve in that cause All have lived out their previous lives in America They had earned their reward here in Simplicity where they live on However they are all deceased back in America They can never go back They can though have a tremendous impact and influence on those who are abducted from America to their spirit world That's where the abducted train visitors are actually shown that there really is a spirit world They can actually meet their dead friends relatives and acquaintances They learn that life really does go on They also learn that America is forever doomed unless the new plan can be made to work That's when they get recruited They

are all promised that their next life will be lived in Simplicity as a reward for their efforts back home. What greater proof and incentive could there ever be? Those residents of Simplicity have all passed their final exams and have been promoted to a higher level of existence. If you can't believe them, who can you believe? Now educated and informed, the train visitors return back home with newfound courage and a tremendous desire to do the right thing. That is because seeing is believing. Those chosen ones had been granted a rare privilege. They actually enter into the spirit world while they are still living in this world. There they get a real shock, their proof of immortality. They actually meet the dead who had summoned them. That must be done in a very careful way so as not to cause heart attacks or fainting spells. Before they are sent back, they are all given two special gifts completely unattainable in their world. If they ever doubt the experience, those two items will convince them otherwise. One is a large medallion made of a strange material unknown on earth. It says simply, "I was there." The second mystery item is an unbreakable pocket mirror in a leather case. Removed from the case, the mirror emits an eerie glow. Printed below the mirror are the words, "I cannot do everything, but I can do something. That which I can do, I ought to do. I will not fail." Most importantly, the train visitors are recruited into the most secret of all organizations. Its purpose is to restore freedom to America by any means necessary. That is the real secret of Simplicity. Among them is a young man named Joe Quinn. He has been tricked into going there like all the others, but for a different purpose. Joe is a person of spec

Three Can Keep a Secret Archer Mayor, 2013-10-01 Archer Mayor's New York Times bestselling Joe Gunther series returns with a complex case involving two corpses, one escaped mental patient, and a long-held secret that binds them together. Three can keep a secret if two of them are dead. Ben Franklin, Joe Gunther, and his team, the Vermont Bureau of Investigation (VBI), are usually called in on major cases by local Vermont enforcement whenever they need expertise and back up. In the wake of the hurricane, a seventeen-year-old gravesite is exposed, revealing a

coffin that had been filled with rocks instead of the expected remains At the same time an old retired state politician turns up dead at his high end nursing home in circumstances that leave investigators unsure that he wasn't murdered And a patient who calls herself The Governor has walked away from a state mental facility during the post hurricane flood It turns out that she was indeed once Governor for a Day over forty years ago but that she might have also been falsely committed and drugged to keep her from revealing something that she saw all those years ago Amidst the turmoil and the disaster relief it's up to Joe Gunther and his team to learn what really happened with the two corpses one missing and what secret The Governor might have still locked in her brain that links them all *The Virgin's Secret Marriage* Cathy Gillen
