Kentucky Common School Laws (Classic Reprint) Kentucky Laws, 2015-07-08 Excerpt from Kentucky Common School Laws The General Assembly of 1894 amended eighteen sections of the act of July 6 1893 and enacted a law for the establishment and maintenance of public schools in cities of the second class besides making some changes in charters of the cities of the third and fourth classes affecting the public schools An act now included in the Session Laws of 1894 as chapter 34 was passed under the title of An act to amend and re enact sections 1 5 and 6 of an act entitled An act for the benefit of graded schools approved March 18 1892 This act of March 18 1892 was not included in the edition of School Laws published in the summer of 1893 from the fact that its provisions had all been incorporated in the general school law of July 6 1893 This amendment of the original act makes it necessary to publish it separately as amended and it will be found among the School Laws other than those found in chapter 260 etc and numbered II Wherever necessary in the general law section 100 to 130 inclusive attention is called to it by marginal note The amended sections of the act of July 6 1893 are given that the reader may readily note whatever changes have been made They are the following 33 37 46 57 58 59 69 78 79 80 83 89 132 133 137 149 and 156 Beginning with sub head 31 in the Appendix are found such additional abstracts of the decisions of the State Courts and opinions of the Attorney General on common school laws as are not given in former editions The supply of last edition is now so nearly exhausted and so many changes have been made as to necessitate the printing and distribution of the entire code instead of a supplementary pamphlet containing only the new enactments with which to compare that now in hand The latter course would involve increasing trouble to school officers and inevitably lead to confusion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
