M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God s plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s people enjoy the scenery of this part of God s word

Run, David, Run! Steven T. Mann, 2013-04-15 In this book Steven Mann highlights the role of theology in the story of David s departure and return as told in 2 Samuel 14 20 Mann s method of narrative analysis employs a philosophy of language called speech act theory His primary interest is ways in which speech act theory has been applied to biblical narrative and he concentrates specifically on speech acts that include theological propositional content that is words used to denote God In this way Mann analyzes the theological speech acts of the narrative and then suggests a way to view the narrative itself as a speech act The thesis of this study is that speech act theory illuminates the integral role of theology in the story of David s departure and return Theology is not merely one aspect of the story but is in fact a catalyst necessary to

the plot Furthermore the act of telling the story as 2 Sam 14 20 does is the very act of portraying David s faith in Yhwh David s speech acts demonstrate that he believes that Yhwh is someone who intervenes and who finds ways to bring his banished ones back to him The narrative portrayal of David s faith can be understood as an illocutionary act with the potential effect of encouraging an audience a perlocutionary act In other words Man demonstrates that this story can inspire any readers who see this narrative as a story not only about David but about themselves Reading Jesus's Bible Goldingay, John,2017 For Jesus and his contemporaries what we now know as the Old Testament was simply the Scriptures and it was the fundamental basis of how people understood their relationship with God In this book John Goldingay uncovers five major ways in which the New Testament uses the Old Testament His discussion paves the way for contemporary readers to understand and appreciate the Old Testament more fully Along with an overview of how Jesus and the first Christian writers read the Old Testament illustrated with passages from Matthew Romans 1 Corinthians and Hebrews Goldingay offers a straightforward introduction to the Old Testament in its own right Reading Jesus s Bible will shed fresh Old Testament light on Jesus God and the church for readers today **Psalms of the Faithful** Brian T. German,2017-09-13 The Psalms forced Martin Luther to change how he read the Bible In Psalms of the Faithful Brian German shows us Luther s reappraisal of the plain sense of Scripture By following the canonical shaping of the Psalter Luther refined his interpretive principles into a more finely grained hermeneutic Luther inspires us to read the Psalms empathetically with ancient Israelites and early church fathers He stirs us up to join the faithful synagogue in praying to and praising the Lord our God According to many scholars Luther established his approach to biblical exegesis on the claim that Jesus Christ is Scripture s content and speaker While Luther used this formulation in prefaces how did he really read the Bible German applies pressure not only to how Luther scholars understand Luther s interpretive method but also to how modern biblical exegetes approach their task and even to how we read the Bible Cracking Old Testament Codes D. Brent Sandy,Ronald L. Giese,1995-06-06 A guide to the various kinds of literature in the Old Testament narrative history law oracles and more and how to interpret them Contributors include Eugene Merrill Walt Kaiser and Tremper Longman III **Story of Judah and Tamar** Joseph Ng Bak Soon,2016-11-22 The Story of Judah and Tamar in Genesis 38 is a familiar one in the Christian Bible Nevertheless it is also a controversial chapter in biblical scholarship due to an apparently dissonant narrative In fact most expositions of the Book of Genesis do not waste much ink on this story There are prominent theologians who insist that this episode plays no role whatsoever in Genesis and that it should not even be inserted into the divine record However what is included by the Holy Spirit is not so easily dismissed by the doubts or cleverness of men It is the conviction of this author that the Story of Judah and Tamar properly understood models a reading of Scripture that is consonant with what the church fathers have termed regula fidei or rule of faith Such an interpretation upholds a reading tradition pioneered by Jesus the apostles and the church fathers When seen through this canonical prism rather than invoking skepticism this brief but significant account in the divine record should

alert Christians to a deep mystery in the divine revelation concerning God's identity, His move and His abiding relevance for present day Christian life living and experience

Basis of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings. It is imperative for all the committed Christians to learn and live with the Biblical truths. As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God. The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law. **Basis of Preaching Biblical Message: Preach the Word** is for the glory of God, the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation. Biblical preaching is centered around and takes its content from the inerrant Word of God. True Biblical preaching aims at life change. Biblical preaching also comes through the personality of the preacher. Some communicators or preachers are encouragers, some are confrontational. Some are humorous while others use sound logic and well reasoned content. It is not good to fall into the trap of trying to mimic your favourite preacher. Instead learn from them and develop your own style as a good communicator. Rev Dr Koningthung Ngoru Moyon presents **Biblical Preaching** in his book **Basis of Preaching Biblical Message: Preach the Word** is both an art and a science. It is a science in the sense that there are rules and principles of communication that we are to follow. It is an art in that each person brings his own unique personality and style to the preaching experience. Preaching is truth through personality. Both are necessary. However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit. This is focus in the book.
