have the impact of original sources Review of Texas Books **Law, Legislative and Municipal Reference Libraries** John Boynton Kaiser, 1914 **Tracking the Texas Ranger Historians** Bruce A. Glasrud, Harold J. Weiss Jr, 2024-10-15 The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb's publication *The Texas Rangers*. Since then numerous works have appeared on the Rangers but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic. Editors Bruce A. Glasrud and Harold J. Weiss Jr gather essays that profile individual historians of the Texas Rangers, explore themes and issues in Ranger history, and comprise archival research, biographies, and autobiographies. Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume. Traditionalists Chuck Parsons, Stephen L. Moore, and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire building Ranger force. To these historical writers the Texas Rangers were part of a golden age. Revisionists Robert M. Utey, Louis R. Sadler, and Charles H. Harris pull back from this adulation, emphasize the importance of overlooked ethnic and racial groups, and point out misbehavior on the part of Rangers. They also want to separate fact from fiction. Some Ranger historians, Frederick Wilkins and Mike Cox, straddle both traditional and revisionist approaches in their works. The final group, Cultural Constructionalists, Gary Clayton Anderson, Amrico Paredes, and Monica Muñoz Martinez, continue the work of Revisionists and focus on an interconnected past that includes theoretical approaches and the study of memory and regional identities. Several themes emerge throughout the book. One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six shooter firepower who served as a military arm of the state and nation. A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society. This divergent examination is especially derived from incidents in the US Mexican War, the period from 1910 to 1920, and the lower Rio Grande valley in the 1960s. And yet another theme is how the Rangers first resisted and fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers, Anglo, Black, Hispanic, Indian, and women Rangers.

Pleasant Bend Dan Worrall, 2016 Today's Greater Houston is a vast urban place. In the mid nineteenth century, however, Houston was a small town, a dot in a vast frontier. Extant written histories of Houston largely confine themselves to the small area within the city limits of the day, leaving nearly forgotten the history of large rural areas that later fell beneath the city's late twentieth century urban sprawl. One such area is that of upper Buffalo Bayou, extending westward from downtown Houston to Katy. European settlement here began at Piney Point in 1824, over a decade before Houston was founded. Ox wagons full of cotton traveled across a seemingly endless tallgrass prairie from the Brazos River east to Harrisburg and later to Houston along the San Felipe Trail, built in 1830. Also here Texan families fled eastward during the Runaway Scrape of 1836; immigrant German settlers trekked westward to new farms along the north bank of the bayou in the 1840s, and newly freed African American families walked

east toward Houston from Brazos plantations after Emancipation Pioneer settlers operated farms ranches and sawmills Near present day Shepherd Drive Reconstruction era cowboys assembled herds of longhorns and headed north along a southeastern branch of the Chisholm Trail Little physical evidence remains today of this former frontier world *The New Larned History for Ready Reference, Reading and Research* Josephus Nelson Larned,1922 **Narrative and Critical**
