from The Masonic Manual Or Lectures on Freemasonry Containing the Instructions Documents and Discipline of the Masonic
Economy Masons already look up to your Royal Highness as their Mec nas Your presidency is hailed as the day spring from
on high to dissipate the darkness which obscures Masonry and to develope its learning and benevolence Masonry we know is
calculated to ameliorate man in the world to make him imitate the Divine Architect s attributes and so to superinduce the
Maker s image in the human mind Its progress and encouragement if so is very good From the common condition of man in
the multitude and its own peculiar Constitution Masonry must be confined and limited at all times However if it be judiciously
managed it will tend to humanize and bless mankind So the occult operation of elementary fire insinuates its powers and
feeds all nature its fostering heat is every where and its fervent force is found in each material substance May the warmth
and light of Masonry be regulated and directed by means of your Royal Highness diffusing solid comfort and satisfactory
entertainment in the community assisting the advancement of the Arts and Sciences and inspiring your own illustrious breast
with the consolations arising from a consciousness of doing good In the faithful spirit of this sacred sentiment I beg to
subscribe myself May it please your Royal Highness Your very obedient Servant And truly devoted Fellow Member of The
