Anieke, Mary Gloria C. Njoku, 2016-08-17 This volume represents a collection of stories and essays that highlight the importance of creating and sustaining peace Put

together the contributions here propose that peace can be created and sustained through people's actions. Likewise, some actions could lead to violence. If we can vanquish the vices of envy, distrust, greed, and their like, and if we support social and economic justice and come together in charity, we can intentionally bring peace to our lives, homes, institutions, and communities. If we are socially responsible, we shall indeed work together for social justice and thus create and sustain peace. The loud and deferring voices of conflicts, wars, and terrorism must continue to be drowned out by strong voices of peace. As part of the effort to make peace heard in order to match the voices and stories of war and terrorism, this book collects these stories of peace to inspire the reader to work for peace and join the community of people sharing peace stories.
