Wax, 2003-09-02 Hundreds of thousands of students with learning disabilities head to college every year. The challenges seem endless. Aside from coping with difficulties in learning, students and their families face the daunting process of seeking out the right school for their specific needs. This indispensable resource includes advice from specialists in the field of learning disabilities, learning disabled programs, admission requirements, and graduation policies. Services available to learning disabled students at each college, tutors, note takers, oral exams, extended test time, and more. Policies and procedures regarding course waivers or substitutions. Names, phone numbers, and email addresses of program administrators at each school. Strategies for finding the right program for each student's needs. In addition to the 338 schools profiled, a Quick Contact Reference List provides essential program information for another 1,000 schools. *Cracking the AP Calculus AB and BC Exams* David S. Kahn, Princeton Review (Firm), 2004 The Princeton Review realizes that acing the AP Calculus AB/BC Exams is very different from getting straight A's in school. We don't try to teach you everything there is to know about calculus; only what you'll need to score higher on the exam. There's a big difference. In *Cracking the AP Calculus AB/BC Exams*, we'll teach you how to think like the test makers and score higher by reviewing key calculus concepts. Earn more points by familiarizing yourself with the format of the test. Safeguard yourself against traps that can lower your score. Perfect your skills with review questions in each chapter. This book includes 5 full-length practice AP Calculus tests. All of our practice test questions are like the ones you'll see on the actual exam, and we fully explain every answer.
