

Mastering APA Style: Instructors Resource

Do you teach students about APA Style guidelines?

APA has two instructional aids that can help you get started.

Mastering APA Style: Instructor's Resource Guide (6th ed.) "contains eight multiple-choice assessment surveys, correction keys, and answer sheets, along with informative instructions on how to incorporate this material into a curriculum." This guide is "designed to help improve students' understanding and use of APA Style before they begin writing term papers and research reports, allowing instructors in academic settings to concentrate more on course material and less on correcting style errors in students' papers."
