Masons And Sculptors Medieval Craftsmen Series:

Masons and Sculptors Nicola Coldstream,1991 **Masons and Sculptors** Nicola Coldstream,1991-01-01 Describes the building of cathedrals and castles by medieval masons and examines their work as represented in architectural drawings illuminated manuscripts and buildings that remain standing today *Materials, Methods, and Masterpieces of Medieval Art* Janetta Rebold Benton,2009-08-27 A comprehensive and informed analysis explores the startlingly diverse and sophisticated fine arts in the Middle Ages *Materials Methods and Masterpieces of Medieval Art* provides a comprehensive and detailed analysis of the work done by artists in western Europe during the Middle Ages Art historian Janetta Rebold Benton uses examples such as the Book of Kells Bury Saint Edmunds Cross and the Bayeux Tapestry and the work of artists such as Jan van Eyck and Giotto to explore the various media available to medieval artists and the ways in which those media were used to create a stunning array of masterworks Although the visual arts of the Middle Ages were extremely colorful today much of that color has diminished or disappeared the pigments and threads faded the gold abraded the silver tarnished *Materials Methods and Masterpieces of Medieval Art* allows these works to sparkle once more *The European World, 400-1450* Barbara A. Hanawalt,2005-05-26 The history of the Middle Ages is one of believers and barbarians popes and peasants It is the story of competing empires and unforgettable leaders The Middle Ages laid the groundwork for the growth of early modern Europe From its bustling cities distinguished universities soaring cathedrals and trade routes Europe began to reach out to the rest of the world *The Middle Ages* Barbara A. Hanawalt,1999-03-04 Beginning with the merger of Roman Christian and Germanic cultures this history of the Middle Ages covers a vast array of subjects including Byzantium and the Islamic world feudalism Church reform architecture the Crusades courtly love the Magna Carta and the Hundred Years War Author Barbara A Hanawalt uses a lively and anecdotal writing style to bring history alive for young readers She delves into the telling details that young adults find fascinating such as the different kinds of armor and weapons used by knights on horseback and the terrifying spread of the Black Death through Europe in the 14th century Lavishly illustrated with art photographs documents artifacts and maps The Middle Ages also includes an index and suggestions for further reading

Hands on History Amy Shell-Gellasch,2007 In an increasingly electronic society these exercises are designed to help school and collegiate educators use historical devices of mathematics to balance the digital side of mathematics *The Book of Sainte Foy* Pamela Sheingorn,2010-08-03 The miracle stories surrounding Sainte Foy form one of the most complete sets of material relating to a medieval saint's cult and its practices Pamela Sheingorn's superb translation from the Medieval Latin texts now makes this literature available in English The Book of Sainte Foy recounts the virgin saint's martyrdom in the third century Passio the theft of her relics in the late ninth century by the monks of the monastery at Conques Translatio and her diverse miracles Liber miraculorum also included is a rendering of the Provençal Chanson de Sainte Foy translated by Robert L A Clark The miracles distinguish Sainte Foy as an unusual and highly individualistic child saint displaying a

fondness for gold and pretty things as well as a penchant for playing practical jokes on her worshippers In his record of Sainte Foy Bernard of Angers the eleventh century author of the first parts of the *Liber miraculorum* emphasized the saint's unheard of miracles such as replacing missing body parts and bringing dead animals back to life The introduction to the volume situates Sainte Foy in the history of hagiography and places the saint and her monastery in the social context of the high Middle Ages Sheingorn also evokes the rugged landscape of south central France the picturesque village of Conques on the pilgrimage road and most important the golden jewel encrusted reliquary statue that medieval believers saw as the embodiment of Sainte Foy's miracle working power In no other book will readers enjoy such a comprehensive portrait of Sainte Foy and the culture that nurtured her

Medieval Iconography John B. Friedman, Jessica M. Wegmann, 2021-11-18 First published in 1998 the present volume aims to help the researcher locate visual motifs whether in medieval art or in literature and to understand how they function in yet other medieval literary or artistic works

The Self-Portrait: A Cultural History James Hall, 2016-02-16 Hall provides a lively cultural interpretation of the genre from the Middle Ages to today Rather than provide a series of greatest hits he is more concerned with the reasons why artists create self portraits The Weekly Standard The self portrait may be the visual genre most identified with our confessional era but modern artists are far from the first to have explored its power and potential In this broad cultural survey of the genre art historian and critic James Hall brilliantly maps the history of self portraiture from the earliest myths of Narcissus and the Christian tradition of bearing witness to the prolific self image making of today's contemporary artists Hall's intelligent and vivid account shows how artists' depictions of themselves have been part of a continuing tradition that reaches back centuries Along the way he reveals the importance of the medieval mirror craze the explosion of the genre during the Renaissance the confessional self portraits of Titian and Michelangelo the biographical role of serial self portraits by artists such as Courbet and van Gogh themes of sex and genius in works by Munch Bonnard and Modersohn Becker and the latest developments of the genre in the era of globalization Comprehensive and beautifully illustrated the book features the work of a wide range of artists including Alberti Caravaggio Dürer Emin Gauguin Giotto Goya Kahlo Koons Magritte Mantegna Picasso Raphael Rembrandt and Warhol

Technology, Skills and the Pre-Modern Economy in the East and the West, 2013-05-30 Technology Skills and the Pre Modern Economy investigates how technological skills and knowledge were reproduced and disseminated in the advanced agrarian societies of China India Russia and Europe in the

centuries before the Industrial Revolution The book offers regional surveys of Europe China and India as well as comparative studies of building porcelain manufacturing instrument making printing and shipbuilding The authors engage with the on going debate about the great divergence between Asia and Europe and its possible causes Technology has so far had a minor role in that debate This book is bound to change that through the bold claims made by various contributors Contributors are Karel Davids S R Epstein Gijs Kessler Jan Lucassen Christine Moll Murata Patrick O'Brien Kenneth Pomeranz Maarten Prak Tirthankar Roy Richard Unger and Jan Luiten van Zanden Canadian Books in Print. Author and Title Index ,1975 **The Angel Roofs of East Anglia** Michael Rimmer,2015-08-27 Shortlisted for the East Anglian Book Awards 2016 It has been estimated that over 90% of England's figurative medieval art was obliterated in the image destruction of the Reformation Medieval angel roofs timber structures with spectacular and ornate carvings of angels with a peculiar preponderance in East Anglia were simply too difficult for Reformation iconoclasts to reach Angel roof carvings comprise the largest surviving body of major English medieval wood sculpture Though they are both masterpieces of sculpture and engineering angel roofs have been almost completely neglected by academics and art historians because they are inaccessible fixed and challenging to photograph The Angel Roofs of East Anglia is the first detailed historical and photographic study of the region's many medieval angel roofs It shows the artistry and architecture of these inaccessible and little studied medieval artworks in more detail and clarity than ever before and explains how they were made by whom and why Michael Rimmer redresses the scholarly neglect and brings the beauty craftsmanship and history of these astonishing medieval creations to the reader The book also offers a fascinating new answer to the question of why angel roofs are so overwhelmingly an East Anglian phenomenon but relatively rare elsewhere in the country **Plotting Gothic** Stephen Murray,2015-03-06 A historian of medieval art and architecture with a rich appreciation of literary studies Stephen Murray brings all those fields to bear on a new approach to understanding the great Gothic churches of the twelfth and thirteenth centuries Plotting Gothic positions the rhetoric of the Gothic as a series of three interlocking plots a spatial plot tied to the material construction of the churches a social plot stemming from the collaborative efforts that made Gothic output possible and a rhetorical plot involving narratives that treat the churches as objects of desire Drawing on the testimony of three witnesses involved in church building Abbot Suger of Saint Denis Gervase of Canterbury and the image maker Villard de Honnecourt and a range of secondary sources Murray traces common patterns in the way medieval buildings were represented in words and images Our witnesses provide vital information about the way the great churches of Gothic were built and the complexity of their meanings Taking a fresh approach to Gothic architecture Plotting Gothic offers an invigorating new way to understand some of the most lasting achievements of the medieval era Notre-Dame of Amiens Stephen Murray,2020-12-22 Notre Dame of Amiens is one of the great Gothic cathedrals Its construction began in 1220 and artistic production in the Gothic mode lasted well into the sixteenth century In this magisterial chronicle Stephen Murray invites readers to see the cathedral as more than

just a thing of the past it is a living document of medieval Christian society that endures in our own time Murray tells the cathedral's story from the overlapping perspectives of the social groups connected to it exploring the ways that the layfolk who visit the cathedral occasionally the clergy who use it daily and the artisans who created it have interacted with the building over the centuries He considers the cycles of human activity around the cathedral and shows how groups of makers and users have been inextricably intertwined in collaboration and occasionally conflict The book travels around and through the spaces of the cathedral allowing us to re create similar passages by our medieval predecessors Murray reveals the many worlds of the cathedral and brings them together in the architectural triumph of its central space A beautifully illustrated account of a grand historically and religiously important building from a variety of perspectives and in a variety of time periods this book offers readers a memorable tour of Notre Dame of Amiens that celebrates the cathedral's eight hundredth anniversary Notre Dame of Amiens is enhanced by high resolution images liturgical music and animations embedded in an innovative website

DRYSTONE: a gathering of terminology and technique Nick Aitken, 2025-04-14 DRYSTONE DYKING is nowadays usually regarded as an occasional rural pastime or dying art but for centuries it was a massive national effort with teams of dykers toiling long hours in all weathers to provide a framework for agricultural innovation In this book Nick Aitken travels the world researching the history of the craft its language and the walls and structures it created

Environmental Consciousness Stephen Hussey, Paul Richard Thompson, 2004 Across the globe environmental questions feature more and more in today's social and political agendas In Western countries environmental campaigns target issues at home and abroad They have a special urgency which draws in an astonishing range of field campaigners from young militants to rebel aristocrats This book examines the roots of contemporary environmental consciousness and action in terms of both popular experience and tradition The global reach of this book reflects the character of contemporary environmentalism It examines a geographically and thematically diverse range of case studies including British environmental campaigners in the Brazilian rainforest ecocriticism and literature the environmental movement in Kazakhstan and medieval church iconography The common theme linking each chapter is that environmental consciousness and activism are shaped through people's life stories and that their memories are shaped not only through individual experience but also through myth tradition and collective memory Containing a wealth of empirical source material Environmental Consciousness will be invaluable for sociologists and historians alike It offers a cutting edge illustration of how narrative and oral history can illuminate our understanding of an uncertain present Stephen Hussey is a research associate at the School of Education at the University of Cambridge His previous publications include *Childhood in Question* and his next publication will be a book for the wider market entitled *Headline History* Paul Thompson is research professor in sociology and director of Qualidata at the University of Essex He is also founder of the National Life Story Collection at the British Library National Sound Archive and founder editor of *Oral History* His previous publications include *The Voice of the Past* *The Edwardians*

and The Work of William Morris *Cast the First Stone* C.B. Hanley, 2020-06-12 The sixth book in a thrilling series of mediaeval mysteries by C B Hanley November 1217 Edwin Weaver is back in his home village of Conisbrough But if he thinks life is going to be peaceful he s wrong the new bailiff is unpopular and cruel and soon his murdered corpse is discovered Everything points to the culprit being a foreigner and the villagers are happy to have an outsider take the blame Edwin isn t so sure and is determined to investigate However his former friends all with something to hide are increasingly hostile to him and resent his interference The more he discovers the more he is convinced that the stranger is innocent but this comes with dangers of its own With the sheriff due to arrive any day expecting to supervise a swift execution Edwin and his wife Alys must join forces to solve the mystery before it is too late **Physical Evidence for Ritual Acts, Sorcery and Witchcraft in Christian Britain** Ronald Hutton, 2016-01-26 This volume investigates the physical evidence for magic in medieval and modern Britain including ritual mark concealed objects amulets and magical equipment The contributors are the current experts in each area of the subject and show between them how ample the evidence is and how important it is for an understanding of history *Medievalia Et Humanistica* , 1993
