Fatty ills and their masquerades Ephraim Cutter, 1898 *The Masquerade Dance* Carol Ottley-Mitchell, 2019-04-15 It is carnival time in St Kitts Nevis and Saulo is excited to see the masquerades perform and dance and to hear their music He dreams of dancing the masquerade one day but when they get too close for comfort Saulo is not sure he is ready for his big debut

I Know that You Know that I Know George Butte, 2004 In *I Know That You Know That I Know* Butte explores how stories narrate human consciousness Butte locates a historical shift in the representation of webs of consciousnesses in narrative what he calls deep intersubjectivity and examines the effect this shift has since had on Western literature and culture The author studies narrative practices in two ways one pairing eighteenth and nineteenth century British novels *Moll Flanders* and *Great Expectations* for example and the other studying genre practices comedy anti comedy and masquerade in written and film narratives Jane Austen and *His Girl Friday* for example

and Hitchcock's Cary Grant films Butte's second major claim argues for new ways to read representations of human consciousness whether or not they take the form of deep intersubjectivity Phenomenological criticism has lost its credibility in recent years but this book identifies better reading strategies arising out of what the author calls poststructuralist phenomenology grounded largely in the work of the French philosopher Merleau-Ponty Butte criticizes the extreme of transcendental idealism first wave phenomenological criticism and cultural materialism when it rules out the study of consciousness He also criticizes the dominant Lacanian framework of much academic film criticism
