Simon,2016-06-14 In 1979 Christopher Lasch published the epochal *The Culture of Narcissism* warning of the normalizing of narcissism in our society Lasch may have understated it 35 years later in the Obama era with its parade of endless often inexplicable scandals we have a full blown epidemic of what has recently been called Moral Narcissism Forget Narcissus and his reflection Moral Narcissism the almost schizophrenic divide between intentions and results now pervading our culture is the new method for feeling good about yourself It no longer matters how anything turns out as long as your intentions were good that you were moral And just as importantly the only determinant of those intentions the only one who defines that morality is you I Know Best goes beyond Lasch to lay bare how this moral narcissism is behind all those scandals from Obamacare to the Veteran s Administration to the IRS Benghazi Bergdahl Syria and beyond Everything the Obama administration did and does was about making them feel good about themselves the results be damned And they have as their allies those supreme moral narcissists in the academy media and Hollywood ever willing to ratify those good intentions and ignore those same results But I Know Best is not just about the Left Moral Narcissism affects the right as well even when they don t realize it It is a true epidemic that must be cured in order to save our democratic republic and our futures **Relativity in Fundamental Astronomy (IAU S261)** International Astronomical Union. Symposium,2010-01-28 IAU S261 summarizes the present state of applied relativity and discusses the applications and future tests of general relativity *Fieldwork Connections* Ayi Bamo,Stevan Harrell,Ma Lunzy,2011-11-15 *Fieldwork Connections* tells the story of the intertwined research histories of three anthropologists

working in Liangshan Yi Autonomous Prefecture Sichuan China in the late twentieth century Chapters are written alternately by a male American anthropologist a male researcher raised in a village in Liangshan and a highly educated woman from an elite Nuosu Chinese family As decades of mutual ethnographic research unfold the authors enter one another s narratives and challenge the reader to ponder the nature of ethnographic truth The book begins with short accounts of the process by which each of the authors became involved in anthropological field research It then proceeds to describe the research itself and the stories begin to connect as they become active collaborators The scene shifts in the course of the narrative from China to America and the relationship between the authors shifts from distant wary and somewhat hierarchical to close egalitarian and reciprocal The authors share their histories through personal stories not technical analyses their aim is to entertain while addressing the process of ethnography and the dynamics of international and intercultural communication
