*Starks' Harvesters* Robert S. White, 2019-10-01 For Rob and Charlie this was the start of memorable years driving Massey Ferguson combines the length and breadth of the American wheat belt This is Rob's story a vivid account of endless hours of work rattlesnakes truck wrecks summer lightning tornados favourite bars and the honeys at the grain elevators Rob went on to do five years harvesting with Dale Starks who comes to life in these pages with all his wisdom and cussedness This is the man who starred in Yellow Trail from Texas the BBC documentary that first inspired Rob and Charlie to make the trip In England Rob was working as an agricultural contractor For him machines and harvesting were more than a way of life they were a passion This enthusiasm which brought Rob long lasting friendships from his American days illuminates every page of his book

**The Long Haul Pioneers** Ashley Coghill, 2020-02-01 It all started in 1964 when two friends gave up promising medical careers to embark upon a journey which few hardened truckers would have considered In so doing they were solely responsible for creating the first long haul overland route across Europe and deep into the Middle East to Kabul The men had started the Middle East Run was to become a phenomenon in the road haulage industry an image which it still holds today This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today In this book Ashley Coghill documents the complete history of the company to date with the focus predominantly on the early days when the men were fighting for something and revelling in the adventure These early long haul drivers would think nothing of a 10 000 mile round trip to Iran or the Arabian Gulf and being stranded at 6 000 feet on a mountain pass with temperatures below 40 was

just all in a day s work Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication He has also tracked down past and present employees to gather first hand information which he has illustrated with over 300 carefully selected images The end result is a detailed comprehensive and fascinating account of an extraordinary company
