New Book by Rocky Nook Author Dennis Savini, *The Masterclass: Professional Studio Photography*, Reveals the Tips, Tricks, and Secrets to Successful Studio Photography

Santa Barbara, CA—November 20, 2012—Rocky Nook, Santa Barbara's leading publisher of books on the techniques and aesthetics of digital photography, announces its new release *Masterclass: Professional Studio Photography* by Dennis Savini. The book provides a comprehensive workshop on studio photography for professionals and aspiring professionals, and reveals the tips, tricks, and secrets the author has discovered throughout his career. The book covers an array of photographic subjects, including still life, industry, technology, food, jewelry, portrait photography, and more.

Included in this large-format, hardcover book are the concepts of studio planning, lighting, perspective, and camera and lens choices, followed by workshops that entail 50 full-page photographic masterpieces, each with a detailed description of how the image was created. The author walks the reader through each step leading to each magnificent studio shot as he describes and illustrates the camera and equipment specs, diagrams of studio setups and lighting arrangements, and post-processing techniques.
