Mastering Your Hidden Self A Guide To The Huna Way Quest Book:

Mastering Your Hidden Self Serge King, 1985 Mastering Your Hidden Self Serge Kahili King, 2012-12-16 Huna philosophy is about learning to become a conscious cocreator with the Universe Hawaiian shaman King uses Kahuna healing methods to help us access the hidden energy of life develop powers of concentration and make friends with the deepest aspect of our being Learn how your Higher Self or aumakua is contacted in the dream dimension Get in touch with the Mana the hidden energy of life Develop higher powers of concentration by utilizing the tikis created images of sight sound and feeling in meditation Become aware of your subconscious an integral part of your being which impatiently awaits communion with the ego **High-Performance Coaching for Managers** William J. Rothwell, Behnam Bakhshandeh, 2022-07-05

Coaching is a necessary skill for managers It is important as a fundamental part of an organization's talent efforts including talent acquisition development and retention strategies For a coaching program to succeed in an organization it should be recognized as a useful approach throughout the organization and become part of the fabric of the corporate culture Performance Coaching for Managers provides an important tool for organizations to use to train their managers on coaching This book differs significantly from other books in the coaching market Many books on coaching cast coaches as facilitators who question their clients the coachees helping them to articulate their own problems formulate their own solutions develop their own action plans to solve problems and measure the success of efforts to implement those plans That is called a nondirective approach But this book adopts a directive approach by casting the coach as a manager who diagnoses the problems with worker job performance and offers specific advice on how to solve those problems While there is nothing wrong with a nondirective approach it does not always work well in job performance reviews in which the manager must inform the worker about gaps between what is needed the desired and what is performed the actual The significant difference between what is currently available in the market and what is offered in this book is the authors collective experience of over 70 combined years of hands on research and delivery experiences in the Human Resources Development field According to the Harvard Business Review 2015 workers generally expect their immediate supervisors to give them honest feedback on how well they do their jobs and specific advice on what to do if they are not performing in alignment with organizational expectations When workers do not receive advice but instead are questioned about their own views they regard their managers as either incompetent or disingenuous Effective managers should be able to offer direction to their employees After all managers are responsible for ensuring that their organizational units deliver the results needed by the organization If they fail to do that the organization does not achieve its strategic goals This book gives managers direction in how to offer directive coaching to their workers The Theosophist, 1986 **Psychic Empath: Journey to Different Realms, Learn Chakras, Kundalini Awakening, Reiki Healing, Self-Healing Workbook** Sylvia Morgan, 2024-06-05

Spiritwalker Henry Barnard Wesselman,1996 A professional anthropologist recounts his experiences outside the bounds of normal reality tracing his numerous journeys across space and time and his exchanges with shape shifters spirit guardians and a Hawaiian mystic from the future *Rapid Recovery* Stephen P. King,2006-12-13 It only took eight years in the making but I have finally completed my book on a variety of rapid recovery and healing techniques that I use in my counselling practice and with athletes Many workshop attendees had asked that I put these techniques in an easy to follow format with an explanation as to why certain things work the way they do I believe I have now achieved that goal These methods are helpful for maximising mind body maintenance by clearing fears phobias addictions obsessions compulsions traumas and all forms of self sabotage They can help optimize all aspects of our lives and open us to the fullness of life s possibilities

Acquisition List University of Hawaii at Manoa. Library. Hawaiian Collection,1989 *Spiritwalker* Hank Wesselman,2010-01-13 I am about to tell you a most unusual story a chronicle of something that happened to me while I was

living on the flank of an active volcano on the island of Hawai i I m a scientist I mention this because I do not feel that I was in any way predisposed for what was about to occur In fact my scientific training would seem to have preprogrammed me against such an experience From Spiritwalker The astonishing true story of an anthropologist s quest into a spiritual world of magic mysticism and meaning Not since Castaneda s tutelage under the Yacqui Indian guide Don Juan has there been a spiritual autobiography quite like Spiritwalker Hank Wesselman s incredible story of a series of encounters that would forever change his life began with what he at first tried to explain away as particularly vivid dreams but which grew increasingly intense and insistent ultimately propelling him on twelve fantastic journeys across time and space Over the next three years his journeys proved to be far more important than mere reason could explain Eventually Dr Wesselman became convinced that he d been granted a visionary encounter with what tribal people from millennia past have called the spirit world During his epic travels Dr Wesselman met shape shifting entities spirit helpers and guardians and found himself traversing a mental physical and spiritual landscape on a path intersecting that of a fellow traveler a Hawai ian kahuna mystic named Nainoa Five thousand years into the future Nainoa had been sent by his Chief on a journey into what used to be America a once powerful land of machines and magic from which no previous voyagers had ever returned What did Nainoa seek from Dr Wesselman What did the anthropologist have to learn about his own world from this exotic traveler from another time and place Together scientist and mystic are initiated into knowledge of non ordinary levels of reality and given foreshadowings of imminent environmental political and spiritual challenges to their civilization Without abandoning his scientific objectivity Dr Wesselman abandoned himself to the mystical sometimes frightening yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness The result is a fascinating and suspenseful adventure an exciting and important archeological discovery and the story of how a hard headed scientific realist stumbled on an important piece of the puzzle of human evolution Socially urgent and disturbingly prophetic Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world our reality and our future

Go Think Yourself! Again Robert C. Worstell, 2006-08-28 There are reasons why you don t always think clearly or as fast as you d like to There are reasons why you haven t gotten the success wealth and happiness you ve always dreamed of Following on the success of *Go Think Yourself* TM this is a simple guide to thinking outside any box learning how to swim through floods of data and develop your own world view In this book learn the underlying patterns and laws that the universe runs on and how to make these laws work for you Here are the simple scientific and spiritual patterns which make or break success for any individual By learning these patterns you can make your dreams become reality Part of the *Go Think Yourself* Series

The Other Secret Jennifer Quaggin, 2013-06 The world is full of emotional vampires terrifying destructive individuals who prey upon and feed off the life force of others draining them of their energy by keeping them in a constant state of fear leaving them feeling empty lost powerless and paralyzed It s no wonder that many of us believe we will

never be good enough or that we are failures unworthy of happiness No wonder we don't realize how simple it is to benefit from the secret the belief that happiness is ours by using the power of the Law of Attraction The Other Secret can help you change that for yourself It can not only show you how to heal from an emotional vampire attack but also provide you with all you need to know to achieve the joy love and success you deserve When you have been victimized by an emotional vampire it often seems impossible to imagine that you could ever feel self confident and happy again But if you work on healing yourself the pain can subside and you may find that you are stronger than before Find new depths of emotion understanding and wisdom Discover that you have more to contribute to the world and other people Achieve far more than you ever would have if you hadn't been hurt The Other Secret can start you on your path to recovery through the proven power of the Law of Attraction

Running in the Zone Steve King, Dan Cumming, 2006-09-01 Twenty six runners ranging in age from 46 to 76 share their secrets motivations and experiences in the fields of running All are active runners and many presently hold world age class records Some have held world records and have achieved world level performances at the Olympics Commonwealth and European games But Running in the Zone isn't about super achievement it is about getting the most out of the running experience regardless of age or even ability This book is for anyone interested in running and running related sports whether they are elite age class runners wanting to keep up performances or newcomers considering taking up running in their middle or even advanced years Many of the contributors didn't start running until they were over 40 and some didn't achieve their best personal performances until they were in their 50s You will meet men and women who have a life long interest in running as well as those who took it up as personal challenges All are inspiring in one way or another and have something valuable to teach not necessarily about running per se but rather personal satisfaction giving back through voluntarism and commitment to a goal or purpose The book was the idea of editors Steve King and Dan Cumming and has come together through Steve's contacts in the world of running and Dan's love of running and editorial ability to pull the best out of a story Both Steve and Dan have a long term relationship with the sport They both perceived that a growing number of older runners are involved in the running and that Running in the Zone would answer many of the needs of this group of active men and women helping them to get the best out of one of the most fundamental of athletic endeavors For more information visit authors blog www.runninginthezone.ca

Medicinemaker Hank Wesselman, 1999-12-01 In the brilliant visionary tradition of Carlos Castaneda anthropologist Hank Wesselman first documented his spiritual journey in the acclaimed account Spiritwalker Now he continues his travels through the spirit world in this astonishing book leading us into the heart of one of the greatest mysteries of existence Dr Wesselman's inspiring quest began with a dramatic encounter on the island of Hawaii Though he had feared his connection to Nainoa a kahuna initiate and fellow mystic traveler would be severed when he moved to San Diego Wesselman would continue to merge minds with Nainoa Over the next five years the true purpose of their profound yet

cryptic contact took shape Wesselman had gained access to some inner doorway putting him in the presence of a transcendent life force and intelligence On the threshold of a dazzling new understanding of nature he was a shaman in training an initiate into the sacred secret healing powers of the spirit world This remarkable book gives us an unprecedented glimpse into the origin and the destiny of our species Hank Wesselman has brought back from his extraordinary travels an extraordinary message the keys to personal power and to the healing of all humankind **Cosmic Xing** Kor

Gable,2010-03-05 This may be one of the strangest books youll ever read A veritable smorgasbord of food for the soul it covers a mind boggling array of topics as its author artfully blends science art history culture philosophy technology geology archaeology psychology theology mysticism and quantum physics to elegantly paint a larger picture of who we are where we came from and where we are going The book opens with a collection of short stories mysteries that are sure to make you go Hmmm and progressively moves into the central theme shamanism and why it may be our last hope to save ourselves and this planet Kor Gable re veals some of shamanisms best kept secrets unknown and mysterious quantum principles that explain miracles and magic It climaxes with Kor sharing his own shamanic initiation and the revelation of a greater Vision of what this New Millennium is about if we can pass the final test and survive our own folly That is the Cosmic Xing Despite the seriousness of the subject the book is easy reading thanks to Kor Gables simple and entertaining style It is full of light and love Once you start read ing it you wont want to stop *Go Thunk Yourself! S'more* Robert C. Worstell,2006-09-13 Take your life in your own hands Dreams CAN become Reality Those dreams you ve always had they can become reality easier than you ever imagined Because life around you has been telling you how hard it is and that you should simply give them up Fortunately conventional wisdom can be safely ignored this means you are free to live life as you choose it All the happiness abundance and great relationships you ve always wanted are already there at your fingertips You learned how to become rich and a success You studied how to use Thunking to free your mind and speed up your thinking Now change your world view into one you ve always dreamed of Get ready to have all your dreams come true **Apocalyptic Grace** Stephen

Powell,2011-05-20 Here is a unique exploration of the five eras or Worlds of cultural socioeconomic psychological spiritual evolution Stephen Powell a seasoned anthropologist and psychotherapist illuminates the hunter gatherer horticultural agrarian and industrial technological epochs in unexpectedly fresh and timely ways Foremost the diversity of these Worlds is still within us all World One reaching back to 50 000 BCE was a time of widely accepted shamanic assumptions World Two 10 000 to 3500 BCE developed small scale horticulture and tribal cohesion but also unprecedented social conformity World Three from about 3500 BCE experienced the global rise of caste structured hierarchies with the World Religions as cultural compensation Beginning in the 1600s World Four developed a mechanistic secularized worldview accentuated by individualism popular culture and a capitalist agenda Finally Powell describes the beginnings of a new fifth set of world assumptions a world without borders Here we may start to integrate humanitarian aspects of the preceding Worlds

embracing multiculturalism without losing cultural integrity Moreover the wisdom traditions from each time appear to hold seed truths of the profound changes that mark the end time and the beginning of each World Apocalyptic Grace leads the reader on a stunning survey of this remarkable journey **Handbook of New Age** Daren Kemp,James R.
