#### NOTICE!

Hi, I'm Aina! I grew up in remote northern Canada, as a member of an indigenous community. My people are Inuit, and up to the age of 18 I spent my days in a very traditional way: fishing and cooking, as well as attending a local school. And then my life changed completely when I met Jordan. Jordan had arrived in my area as an anthropologist a year before I met him, and he was studying our language and traditions. We fell in love and eventually we got married and moved to Montreal. I did try to fit in, but I really suffered from culture shock and felt out of place. I was scared of losing my identity and didn't know who I was anymore. After a long struggle I finally realized that my family background and community had made me who I was, but that my choices have made me who I am today.
