Losing And Finding My Father Seasons Of Grief Healing And Forgiveness:

Losing and Finding My Father Kira Freed, 2015-08-24 Losing and Finding My Father is an adult daughter's journey of discovery sparked by the illness, coma, and subsequent death of her father. Having struggled for years to come to terms with a childhood marked by his invalidation and abuse, she attends to her ailing father, converses with him even during his coma, and uncovers the love hidden deep within their painful relationship. It is a story of loss: loss of childhood, trust, loss of self-esteem, and desire for intimacy; loss of the father. Ultimately, it is a story of revelation about finding one's voice, softening emotional armor, forgiving the past, creating pathways to intimacy, and revising one's life story. Losing and Finding My Father offers a promise of growth and healing to children and parents of all ages and weaves together the following themes: Challenging cultural attitudes about grief; Exploring right relationship with having been abused as a child; Authentic forgiveness; The power of emotions to heal; Conscious caretaking; Developing the capacity to have a healthy intimate relationship. The book also offers a substantial appendix of self-help tools and exercises. From the foreword by Richard Schwartz, PhD, developer of the Internal Family Systems model of psychotherapy. When her father was dying, Kira Freed had the courage to take the healing path. Her carefully and beautifully documented journey provides a model for anyone who might consider this difficult route. If you've experienced the loss of a loved one who was a source of pain and challenges throughout your life, reach for Kira Freed's book, Losing and Finding My Father. Her poignant stories, processing tools, and personal healing will give you hope, guidance, and a way forward through and beyond your own grief. Carol McClelland, PhD, author of *The Seasons of Change: Using Nature's Wisdom to Grow Through Life's Inevitable Ups and Downs*. Losing and Finding My Father is Kira Freed's personal story, and this story is a teaching tale. In it, Kira shares her journey of resolving the effects of living with an abusive father whom she also loved deeply. Throughout, we are invited to share in the complex legacy of trauma intertwined with the healing opportunities that Kira courageously engaged. She also includes an appendix filled with a variety of approaches she used to support her healing, powerful resources, and practices for anyone taking this journey. Nancy J. Napier, LMFT, author of *Getting Through the Day: Strategies for Adults Hurt as Children*. Kira has written a poignant and intimate account of her father's dying and of her grief. In clear language, she shares with us the struggles, pain, healings, and even transformation that so many of us have experienced with the death of a parent. Reading her book will both comfort and inspire you. Alexandra Kennedy, psychotherapist and author of *Losing a Parent* and *The Infinite Thread*. **My Seasons of Grief** K.R. McMahon, 2015-09-21 NEW THING I am a rarity in this modern world in this Quantum Age now in the sea of life we all have yachts with a spare engine and a jet ski. We like to keep moving to duck and weave to crawl if we can't walk or to run in every other instance we move our culture, society, economy, media, ecology, our whole way of life here in the West at least has been centered around the notion that we always ought to be moving, full of motion, sickness, this feeling, the feeling of moving simulated to perfection by our greatest creation, the automobile. This allows us to know that we are in fact alive and

not dead but I believe there is a further benefit that this constant motion allows for us to ignore another of the more serious life defining questions what are we rushing towards Where does this treadmill ultimately lead The answer is the same for all of us sick healthy fat bald ugly short accomplished home wreckers murderers free men ultimately we will all die Kevin Ross McMahon 11 19 1984 6 29 2013 Encourage each other in my death with calls to go farther up and farther in in this life so that you are prepared for the next as best you can Alright thats hardly all I have but still it must suffice I fear Peace joy and delightful things to you all Love always Ross

Finding Eve Rita Springer, 2013-06-04 Find your way to the heart of God where you will discover all you need to fulfill His purposes for your life In Genesis 3 the serpent came to Eve and within moments caused her to think she was lacking something When she looked at the forbidden tree she saw that it was pleasant to the eyes good for food and had the power to make one wise Although she already possessed beauty provision and an intimate relationship with God she thought she needed more So she ate the fruit and lost the comfort and security of the garden because she doubted God Many women today are falling into the same trap We allow Satan to convince us we aren't enough when in fact we are already complete in Christ Finding Eve follows Eve's journey to find her way back to God's heart and to discover her true identity as a daughter of God This book is designed to encourage women who may be facing disappointment the fallout from bad choices or the pain of unfilled dreams It will offer hope and equip them to be all they were intended to be in the kingdom of God
