

Hitting All Three (Part II)

Later, without you, I recreate the sensation of triple stimulation...

It's the middle of summer so I've been wearing as little clothing as possible. Trying to stay cool is my main motivation. Today I wore a thin cotton dress and underwear, nothing else. I was out and about earlier in the day, but always moving slowly to avoid getting sticky in the heat.

I feel so aware of my body in this weather. With every movement, I'm aware of the sensations I feel on my skin. And having started the day having sex in your room only made me more so. Senses heightened.

Returning home sweaty from doing some errands in the neighborhood, I remove my dress. I lie down in front of the fan with a glass of ice water. Air blowing at my body feels so good. I move so that the fan is blowing straight up my body from between my legs. I close my eyes and let this way for a few minutes, letting the fan cool my body and dry the sweat from my skin.

After a little while, I take an ice cube from my drink and rub it over each of my nipples. My nipples burn and harden and the ice starts melting immediately, sending cold streams down my hot abdomen. It's only a matter of seconds before I'm thinking about the hot sex we had earlier today and how desperately I want you. My appetite for having sex with

you is bottomless. Same for you. We want each other constantly. And we have each other as often as we can.

Oh, so now I'm lying here thinking about fucking you. I'm thinking about how it feels when it's your touch on my nipples. When it's your touch between my legs. On my legs. I think about this morning, about how you woke me up. I think about riding you. I think about you being inside of me.

But now I'm alone. I lie still, fantasizing and remembering.

The ice cube has traveled down, down my body, and inside of me. Now it is melting, dripping out of my pussy. I lie still. My only movement is my pussy. And the small movements of my fingers tightening around my nipples.

After a while of experiencing pleasure with hardly any movement, I rise to get my two vibrators. It's time for more action. One is a small bullet style. The other is two pronged. I'm going to use them all.

Fantasizing and remembering has gotten me nicely open. I plunge the larger one deep into my body and rock with it. I'm breathing and breathing and rocking.

I start to feel juices running down over my asshole. It wants attention. I turn on the small vibrator and bring it to my asshole. It accepts it and the tension immediately builds as the two vibrators are pushed up

Love Story Manuel García, 2025-06-30 *Love Story* isn't what you think it is These are tales of men real grounded sometimes rough often silent who don't talk about their feelings but let them explode through sweat friction and the heat of proximity In locker rooms suburban backyards moving trucks and late night showers attraction brews slowly then hits hard This is virile eroticism where tension is foreplay and nothing is said that isn't felt on the skin The title story begins on a quiet Saturday A new neighbor A shirtless body A pool glistening in the sun He's called Gianni built cocky without meaning to be and utterly unaware of what he's igniting What starts with a helping hand turns into gym workouts shared saunas stolen glances and ends with wet skin whispered apologies and lips wrapped around things once only dreamed of He kissed me Just like that raw hungry When he pulled back and muttered I didn't mean to I showed him how much I had I took his cock in my mouth slow like a promise He tasted like sun and beer and something I'd waited too long to have Later his hand on me his fingers slick I came hard into his fist while we kissed again this time without hesitation *Love Story* leaves nothing to chance and nothing to fantasy These aren't dreams These are moments soaked in sweat heavy with silence and crackling with the kind of male desire that doesn't ask for permission Just two men a long look and what happens when one finally makes a move

The power of physical aggression increasingly overshadowed literary attainments and became a new imperative of male honor in the late Qing and early Republican China. Afflicted with anxiety and indignation about their increasingly effeminate image as perceived by Western colonial powers, Chinese intellectuals strategically distanced themselves from the old literati and reassessed their positions vis-à-vis violence. In *Mastery of Words and Swords: Negotiating Intellectual Masculinities in Modern China, 1890s-1930s*, Jun Lei explores the formation and evolution of modern Chinese intellectual masculinities as constituted in racial, gender, and class discourses mediated by the West and Japan. This book brings to light a new area of interest in the Man Question within gender studies in which women have typically been the focus. To fully reveal the evolving masculine models of a scholar-warrior, this book employs an innovative methodology that combines theoretical vigor, archival research, and analysis of literary texts and visuals. Situating the changing inter- and intra-gender relations in modern Chinese history and Chinese literary and cultural modernism, the book engages critically with male subjectivity in relation to other pivotal issues such as semi-coloniality, psychoanalysis, modern love, feminism, and urbanization. Jun Lei's brilliant book offers a wealth of information and insights on how intellectuals such as Liang Qichao and Lu Xun shaped notions of Chinese masculinity in the tumultuous late Qing and May Fourth periods. Its account of how China's interactions with the West and Japan impacted ideas of masculinity in modern times is compelling reading. Kam Louie, author of *Theorising Chinese Masculinity: Society and Gender in China and Chinese Masculinities in a Globalizing World*. What are the political and cultural consequences when a Chinese man looks and behaves like a woman? Jun Lei probes the psychic, intellectual, and nationalist underpinnings of that question. This provocative book offers an engaging story and insightful analyses about how male writers grappled with the effeminate look and strove to revitalize manliness. Ban Wan *Hearts at Stake* G.L. Giles, 2010-09-24 As the number of my adult short stories, songs, and poems has grown considerably, many of them have been previously published in magazines, etc. I decided it was high time to gather many of them together into an anthology that has a cohesiveness about it, oftentimes exposing the truth of the human heart through a fictional or fictionalized setting, characters, etc. Hence the title. Add to that, I've included two articles: one on even more marketing advice and the other about how I was able to successfully lose weight as a vegetarian. Plus, there are other surprises included within that you'll just have to discover for yourself. Praise for the Writing of G. L. Giles I will begin by saying that one of the best things about Giles

writing is that she defies tradition and she expresses herself in whatever form or style she wishes I feel that she creates her own rules regarding her writing and I respect the hell out of that I enjoy her live and let live policy which constantly shines through her writing and I think she is one of the most honest and open writers that I have read She is very comfortable with whom she is and that peace about her gives her words great power Peter Syslo for Infernal Dreams <http://www.infernaldreams.net/mindyourpsandqs.html>
