Forthcoming Books Rose Army,1999 **Marx and Public Services** Tony Kinder,2025-04-10 By evaluating previous public management research through Marxist concepts this textbook offers innovative solutions to public service problems It updates Marx s framework to reflect the growth of public services transitioning from abstract state notions to concrete service analysis Addressing two critical gaps the book highlights the benefits of a Marxist approach to public services and presents Marxist ideas to examine these services at a micro level It demonstrates the relevance of Marxist frameworks for public service professionals critically reviews current public management knowledge and sheds light on the dynamic nature of public services against the background of neoliberalism While doing so the book goes beyond a Eurocentric perspective providing cases and practical examples from developed and developing countries with an additional focus on Asian practices Written by an award winning author with years of practical experience and designed for graduate and advanced undergraduate students each chapter sets clear learning objectives and reviews existing tools and frameworks The chapters also present new ways of improving public services encouraging readers to apply Marxist concepts to their contexts and cultures This will also make this book a practical resource for practitioners and professionals seeking to resolve their grounded public services issues **Feminist Interpretations of Benedict Spinoza** Moira Gatens,2009 A collection of essays on the metaphysical political theological ethical and psychological writings of Spinoza Examines the ways in which his philosophy presents a resource for the re conceptualization of friendship sexuality politics and ethics in contemporary life Provided by publisher The Columbia Dictionary of Quotations Robert Andrews,1993 Over 11 000 of these 18 000 quotations have never before appeared in a quotation book Chosen not for their familiarity but for their quality and their relevance in the 1990s these provocative quotations cover subjects from adolescence and adoption to yuppies and zoos The Publishers' Circular and Booksellers' Record ,1910 *Sexual Cultures* Jeffrey Weeks,1996-07-13 The new sociology of sexuality has a two fold aim to demonstrate how the social shapes the sexual and to analyse how the sexual in turn becomes a focal point for personal identity cultural anxiety value debates and political action Drawing on papers from the 1994 British Sociological Association annual conference on Sexualities in Social Context this volume brings together key contributors to this stimulating new approach Topics covered include theoretical developments the relationship between history and contemporary controversies community and identity especially in the context of AIDS value conflicts and changes in the meanings of intimacy The book as a whole offers a significant intervention into debates on sexuality and a thoughtful contribution to the broadening of the sociological agenda *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1895 **Handbook of Medieval Sexuality** Vern L. Bullough,James Brundage,2013-01-11 Like specialists in other fields in humanities and social sciences medievalists have begun to investigate and write about sex and related topics such as courtship concubinage divorce marriage prostitution and child rearing The scholarship in this

significant volume asserts that sexual conduct formed a crucial role in the lives thoughts hopes and fears both of individuals and of the institutions that they created in the middle ages The absorbing subject of sexuality in the Middle Ages is examined in 19 original articles written specifically for this Handbook by the major authorities in their scholarly specialties The study of medieval sexuality poses problems for the researcher indices in standard sources rarely refer to sexual topics and standard secondary sources often ignore the material or say little about it Yet a vast amount of research is available and the information is accessible to the student who knows where to look and what to look for This volume is a valuable guide to the material and an indicator of what subjects are likely to yield fresh scholarly rewards **The Publisher** ,1903

Addressing Ableism Jennifer Scuro,2017-10-25 Addressing Ableism is a set of philosophical meditations outlining the scale and scope of ableism By explicating concepts like experience diagnosis precariousness and prosthesis Scuro maps out the institutionalized and intergenerational forms of this bias as it is analogous and yet also distinct from other kinds of dehumanization discrimination and oppression This project also includes a dialogical chapter on intersectionality with Devonya Havis and Lydia Brown a philosopher and writer activist respectively Utilizing theorists like Judith Butler Tobin Siebers Emmanuel Levinas and Hannah Arendt to address ableism Scuro thoroughly critiques the neoliberal culture and politics that underwrites ableist affections and phobias This project exposes the many material and non material harms of ableism and it offers multiple avenues to better confront and resist ableism in its many forms Scuro provides crucial insights into the many uninhabitable and unsustainable effects of ableism and how we might revise our intentions and desires for the sake of a less ableist world **The Collected Works of Dante Gabriel Rossetti** Dante Gabriel Rossetti,William Michael

Rossetti,1890 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1904 **British Books** ,1903 **What is Slavery?** Brenda E. Stevenson,2015-08-06 What is slavery It seems a simple enough question Despite the long history of the institution and its widespread use around the globe many people still largely associate slavery outside of the biblical references in the Old Testament to the enslavement of Africans in America particularly the United States Slavery proved to be essential to the creation of the young nation s agricultural and industrial economies and profoundly shaped its political and cultural landscapes even until today What Is Slavery focuses on the experience of enslaved black people in the United States from its early colonial period to the dawn of that destructive war that was as much about slavery as anything else The book begins with a survey of slavery across time and place from the ancient world to the beginning of the Atlantic slave trade and then describes the commerce in black laborers that ushered in market globalization and brought more than 12 million Africans to the Americas before finally examining slavery in law and practice For those who are looking for a concise and comprehensive treatment of such topics as slave labor culture resistance family and gender relations the domestic slave trade the regionalization of the institution in the expanding southern and southwestern frontiers and escalating abolitionist and proslavery advocacies this book will be essential reading "Who Am I to Judge?" Goertz,2021-11-08 The Catholic Church still takes an ambivalent stance toward homosexuality declaring that homosexuals should be respected and not discriminated against while morally condemning their intimate relationships This volume presents exegetical theological and ethical arguments as well as evidence from the human sciences to advocate for the recognition of homosexuality as a natural variant of the human capacities to love and to form relationships Boy Crazy

Janet Sayers,2019-06-19 In answering these questions Janet Sayers highlights the revolution wrought in both sexes psychology by adolescence particularly by its fantasies of divided selves and loves and of boy crazy grandiosity and romance Illustrated throughout with fascinating examples from a groundbreaking study of adolescent memories and dreams Boy Crazy presents an engaging account of this little researched period of human development Sayers also draws on her own work as a therapist and weaves in vignettes from fiction and film to demonstrate the significance we attach in adulthood to our experiences as adolescents She suggests that men and women respond differently to the sexual awakening that takes place during their teens and to their own memories of that part of their life In relating the findings of her research the author also explores to what extent the theories of Freud Jung and feminism shape our understanding of the formative effect of adolescent experiences and emotions Boy Crazy provides a fascinating insight into the repercussions of adolescence on our adult lives and loves and will appeal to the general and specialist reader alike **Redefining Rape** Estelle B.

Freedman,2013-09-03 The uproar over legitimate rape during the 2012 U S elections confirms that rape remains a word in flux subject to political power and social privilege Redefining Rape describes the forces that have shaped the meaning of sexual violence in the U S through the experiences of accusers assailants and advocates for change **All Music Guide to the Blues**
