Where Justice and Peace Kiss John R. Sittema, 2025-09-18 The Book of Revelation may appear strange opaque even confusing to modern eyes Yet it is meant to

reveal not to conceal Written in the style of Old Testament prophets it comes to us in a code that is readily understood from the stories symbols and images of those prophets It announces as beams of light refracted through a prism the truth about us this broken world the powers and patterns of evil and the victory of God through Jesus and his faithful ones Reading Revelation may appear to be a challenge not reading can be dangerous I ve read the Book of Revelation many times but I ve never dared to study it until now John Sittema s Where Justice and Peace Kiss doesn t just decode the imagery it delivers the message with power and clarity His prose is reminiscent of the first time I tasted fine wine meant to be sipped slowly savored and thoughtfully contemplated before moving to the next Mike Jette Elder at large author of Following the Invisible Jesus Rock Hill SC a rare and marvelous piece of work Meditations or devotions from Revelation are almost as rare as ocean water that tastes good and few devotionals of any kind offer as much as this one Gary Corwin Missiologist historian Church Elder and author of Introducing World Missions A Biblical Historical and Practical Survey Charlotte NC a warm and engaging collection that tells a coherent story of grace to remind us that now and throughout history everything that happens on earth is directed from heaven Dr Paul J Hudson MD MPH Director of Medical Missions Author of Healthcare and the Mission of God Fort Mill SC
