Scannell D.D.,Aeterna Press, THE word Theology means the Science of God This science has God not only for its subject but also for its source and its object hence the Divine character of Theology cannot better be described than by the old formula Theology teaches about God is taught by God and leads to God Theology may be taken objectively as doctrine or subjectively as knowledge But it is not every knowledge of Divine doctrine especially not the mere apprehension of it that is called Theology The term is restricted to scientific knowledge and consequently Theology in its technical sense is the scientific exposition of the doctrine concerning God and things Divine Aeterna Press **Your Owner's Manual for Life** Maureen Marie Damery,2016-10-17 Some books are deeper and more profound than others They touch us at a deep soul level This is one of those books Your
