Forty years ago while paging through a book sent as an unexpected gift from a friend Roger Welsch came across a curious reference to stones that were round like the sun and moon According to Tatonka ohitka Brave Buffalo Sioux these stones were sacred I make my request of the stones and they are my intercessors Brave Buffalo explained Moments later another friend appeared at Welsch s door bearing yet another unusual gift a perfectly round white stone found on top of a mesa in Colorado So began Welsch s lesson from stones gifts that always presented themselves unexpectedly during a walk set aside in an antique store and in the mail from complete strangers The Reluctant Pilgrim shares a skeptic s spiritual journey from his Lutheran upbringing to the Native sensibilities of his adoptive families in both the Omaha and Pawnee tribes Beginning with those round stones increasing encounters during his life prompted Welsch to confront a new way of learning and teaching as he was drawn inexorably into another world Confronting mainstream contemporary culture s tendency to dismiss the magical mystical and unexplained Welsch shares his personal experiences and celebrates the fact that even in our scientific world Something Is Going On just beyond our ken

Margaret D. Jacobs, 2023-10-10 A necessary reckoning with America's troubled history of injustice to Indigenous people After One Hundred Winters confronts the harsh truth that the United States was founded on the violent dispossession of Indigenous people and asks what reconciliation might mean in light of this haunted history In this timely and urgent book settler historian Margaret Jacobs tells the stories of the individuals and communities who are working together to heal historical wounds and reveals how much we have to gain by learning from our history instead of denying it Jacobs traces the brutal legacy of systemic racial injustice to Indigenous people that has endured since the nation's founding Explaining how early attempts at reconciliation succeeded only in robbing tribal nations of their land and forcing their children into abusive boarding schools she shows that true reconciliation must emerge through Indigenous leadership and sustained relationships between Indigenous and non-Indigenous people that are rooted in specific places and histories In the absence of an official apology and a federal Truth and Reconciliation Commission ordinary people are creating a movement for transformative reconciliation that puts Indigenous land rights sovereignty and values at the forefront With historical sensitivity and an eye to the future Jacobs urges us to face our past and learn from it and once we have done so to redress past abuses Drawing on dozens of interviews After One Hundred Winters reveals how Indigenous people and settlers in America today despite their troubled history are finding unexpected gifts in reconciliation Nebraska, 2002 *Farm Journal*, 2000 *Embracing Fry Bread*
