For everyone who needs and believes or doesn't believe in miracles my memoir Love Was There A Testimony of Faith is a must read If you need God's divine mercy you should read this book If you need a reminder of how much God loves you you should read this book If you need to know that God is with you every step of the way on your journey of a lifetime you should read this book If you need to believe that prayer is powerful read this book I wrote this spiritual memoir to give testimony to God's love and mercy and to give my readers hope and inspiration It's a true story tracing my spiritual growth from childhood through my personal Pentecost transformation My faith evolved and deepened after being miraculously cured of stage four cancer at a Catholic Healing Mass where I rested in the Spirit The focus of my memoir is on miracles I've witnessed throughout my life the faith that sustained me during my suffering the love manifested in suffering and my evolving relationship with God **Supporting Students on the Autism Spectrum** Rachel M. McMullin, Kerry R.

Walton,2019-04-23 This book will be invaluable for those in the academic library who want to understand how best to serve students on the autism spectrum and how those students can contribute to the library As a large number of students on the autism spectrum come of age and enter college increased awareness of autism spectrum disorder is necessary among those who work in academic libraries so that they can respond to and meet the unique needs of these students This book fills a scholarship gap while serving as a practical resource for working with the neurodivergent student population in academic libraries McMullin and Walton explain issues that are likely to arise when interacting with students on the autism spectrum and offer practical solutions for handling them They discuss how to work with neurodiverse students in different contexts including at service points in the classroom as employees and through outreach programs They highlight possible concerns about the physical environment of the library and demonstrate ways that the library can be an especially positive place for students with ASD Personal anecdotes from students with autism as well as library faculty and staff round out this valuable work Abuse Between Young People Carlene Firmin,2017-12-14 Awareness of peer on peer abuse is on the rise and is a

matter of increasing international concern Abuse Between Young People A Contextual Account is the first book to offer a contextualised narrative of peer on peer abuse that moves beyond recognising an association between environments and individual choice and illustrates the ways in which such interplay occurs Using both sociological and feminist perspectives Firmin reshapes the way that peer on peer abuse is perceived and investigates the effect of gendered social context on the nature of abuse between young people This text also uses an in depth case study to explore associations between abusive

incidents and young people's homes peer groups schools and neighbourhoods in addition to broader societal influences such as pornography and politics National and international policies are woven into each chapter along with insights from parenting programmes the troubled families agenda and bullying and community safety policies Abuse Between Young People presents a clear insight into the various contexts that affect the nature of peer on peer abuse providing a thorough analysis into the debates on this issue In so doing Firmin creates a vital contextual approach to safeguarding young people affected by this issue It is invaluable reading for students and researchers in social work education criminology sociology and psychology as well as practitioners and policymakers concerned with the protection of young people

Why Kids Love (and Hate) School Steven P. Jones, Eric C. Sheffield, 2018-11-19 Some students enter classrooms with an I dare you try to teach me look on their faces and others bounce into class excited to learn and anxious to please the teacher We know we can't automatically blame teachers or schools when students don't want to learn But we also know that sometimes teachers and schools don't always set students up for success and they don't always help them love what they're learning Why Kids Love and Hate School Reflections on Practice investigates some of the school and classroom practices that help students love school and some that send students in the opposite direction Intended for classroom teachers teacher education students and school administrators chapters in the book investigate a variety of topics how schools can build effective school cultures the struggle students encounter in learning practices of other countries that help students love school testing practices that cause students to hate school and much more Perfect for courses in Introduction to Education General Methods Management Assessment Educational Research Educational Administration Leadership Teacher Leadership Curriculum Theory Curriculum Development

Precarious Intimacies Faith MacNeil Taylor, 2025-03-18 In a time of increasing social and economic inequality this book illustrates the precarity experienced by millennials facing both rising rents and wage stagnation Featuring the voices of those with lived experience of precarity in north east London MacNeil Taylor focuses on intimacy reproduction and emotional labour The book widens readers understanding of a middle class generation rent beyond those locked out of anticipated home ownership by considering both social and private renters Situated in a feminist and queer theoretical framework the book reveals the crucial role of British policy making on housing welfare and immigration in exacerbating inter and intra generational inequality

Teresa da Silva Anthology Michael Dees, 2023-02-12 Teresa da Silva is an overweight depressed drink dependent struggling in the city She is estranged from her daughter who lives with her ex husband in England This Anthology contains the first two books in the series

Semiotics of Rape Rupal Oza, 2022-11-14 In Semiotics of Rape Rupal Oza follows the social life of rape in rural northwest India to reveal how rape is not only a violation of the body but a language through which a range of issues including caste and gender hierarchies control over land and labor and the shape of justice are contested Rather than focus on the laws governing rape Oza closely examines rape charges to show how the victims and survivors of rape reclaim their autonomy by refusing to see themselves as defined

entirely by the act of violation Oza also shows how rape cases become arenas where bureaucrats village council members caste communities and the police debate women s sexual subjectivities and how those varied understandings impact the status and reputations of individuals and groups In this way rape gains meaning beyond the level of the survivor and victim to create a social category By tracing the shifting meanings of sexual violence and justice Oza offers insights into the social significance of rape in India and beyond
