One Poem in Search of a Translator Eugenia Loffredo, Manuela Perteghella, 2009 Translation is a journey a journey undertaken by the text hopping around the world and mischievously border crossing from one language to another from one culture to another For a translator this journey can become a truly creative engagement with the otherness of the source text an experience of self discovery leading to understanding and enrichment and ultimately towards a new text This singular literary experiment intends to magnify the idiosyncrasy of this translational journey In the process translation reveals itself as an increasingly creative activity rather than simply a linguistic transfer This volume consists of twelve translations of one

poem *Les Fen tres* by the French poet Apollinaire The translators embarking on this project all from different backgrounds and working contexts poets professional translators academics visual artists were asked to engage with the inherent multimodality of this poem inspired by Robert Delaunay's *Les Fen tres* series of paintings The result is a kaleidoscopic diversity of approaches and final products Each translation is accompanied by self reflective commentary which provides insight into the complex process and experience of translation enticing the reader to join this journey too

The Handbook offers a space to women from all backgrounds to share their stories in my favourite segment Women's Voices. One story that stood out to me most was told by Magda Oldziejewska in The Feminist Library. Oldziejewska recounts her experience of discovering the Feminist Library, an archive in London which exists to preserve the lives, works and memories of many women. I especially liked this piece as it shows that there does in fact exist a space for women to feel not only safe and welcomed but actively valued in the literary world. A space where we can learn about the forgotten women who came before us and ensure that the great female powers of our time do not slip into the void of lost female writers. The importance of creating access points to the literary world for women is monumental and Sandham has so beautifully created another in her making of this Handbook. The later segments of the Handbook, Writing Workshops and Workshop Sessions, give an incredible level of insight into the more finicky aspects of serious writing, with guides on Developing Complex Characters, Self-censorship. The frank discussion provided throughout the workshop segments is an indispensable tool for any budding author looking to get real and seriously improve the quality of their writing. I would recommend The Women Writers Handbook not only to women with explicit intentions to embark on their literary careers who need some support but to anyone who seeks to better understand both the struggles and triumphs of women in the world of literature.

portobellobookblog What a fabulous source book full of inspirational essays, short stories, poems and interviews with some top female writers about the writing process, feminism and the experience of female authors designed to get the juices flowing for any woman who has the hankering to write. If this was not enough to make you want to grab your note book and pen and embark on a writing project, then there are also writing exercises designed to stimulate the creative impulses and a directory of resources to help you on your way. And quotes from some of the top women writers, both contemporary and from history, are spread liberally throughout the publication as encouragement. If I have not already persuaded you that you need a copy of this book to hand on the writing desk, you are now surely going to purchase should you not have one already. Perhaps it will help if you know that 20% of the profits from the sale of this book will go towards the Virginia Woolf statue campaign. Sue Vine Voice Thrilled to get my hands on a copy of this updated version of The Women Writers Handbook released to celebrate the 30th anniversary of Aurora Metro books. Edited by Ann Sandham, a fabulous collection of poems, stories and interviews from a diverse group of internationally acclaimed women. Also included are the workshops from the original edition of this anthology and there is a newly updated resources list. As well as being a good read with lovely black and white drawings dotted throughout, it's a really useful book, one I know I will return to time and time again. In addition, 20% of each sale is being donated to the Virginia Woolf statue campaign to go towards funding a statue of the esteemed British writer, the author of pioneering essays on women's writing and the politics of power, so this is very apt.
