Love Without Limits Nick Vujicic, Kanae Vujicic, 2014-11-18 It Doesn't Take a Perfect Person to Find a Perfect Love Even though he was born without arms or legs Nick Vujicic created a ridiculously good life But after dating disappointments and a failed relationship he reached his mid twenties worried that he would never find a woman to love him and share his life Then Nick met Kanae and everything changed But even with undeniable chemistry they would have to navigate twists and turns worthy of a romantic comedy before becoming one in marriage In *Love Without Limits* Nick and Kanae tell how they improbably found each other fell in love and then fought to overcome skepticism from others about their relationship Filled with practical insights that will benefit any couple this inspiring book describes a godly courtship and the early years of the Vujicics marriage and parenting journey Above all *Love Without Limits* is an inspiring reminder that when Christ is at the center of a relationship even with serious challenges true love will triumph Despite my optimism about other parts of life I decided that love in this world had limits after all I'd become convinced that no woman would want to marry such an obviously imperfect man as me As a boy growing up in Australia Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick's life On the other side of the world Kanae Miyahara a girl growing up in Mexico saw dysfunction sadly separate her family She wondered if a loving lasting marriage was even possible Later when Nick realized that God had a purpose for him his life took on new meaning But after a long term relationship ended in heartache would he ever find someone to marry Kanae experienced relationships based on superficial attraction but she longed to find a mate with strong character and faith a man who would be a godly husband and father When Nick and Kanae met in the most amazing way they realized that God the ultimate Matchmaker had used even their discouraging and painful experiences to prepare them for each other for the love of their life **Biblical Counsel**, 1993

How to Build a Stimulating and Everlasting Love in Relationships Felix O. Jeremiah, 2013-08 Marriage is an honorable and sacred covenant relationship in which every individual should want to be God's foundation for marriage is intended to be a permanent union In this present world permanency is overruled by constant changes in law morals fashion and particularly hearts and minds Individuals who want only to be married become only individuals who want to be on their own or with someone else Marriages intended to be built on the foundation of love become marriages of trial by error tactics What has gone wrong Why has a relationship intended by God to be good been made evil What has brought an end to the love and the joyful life between men and women The problem is you and me we have forgotten our divine origin and debased our behaviors to the level of animals or lower We no longer follow divine will and laws We have with our own hands put a knife into the cord that binds human beings together in love as a result the fabric of moral decency and spiritual inclination has fallen apart Men and women must rediscover their individual relationship with God and God's role in their relationship with each other Re discover that your marriage and love relationship is intended to be the most precious and enjoyable union to ever exist on earth Obedience submission and open communication shine brightly in a union founded on real love This book will open your eyes to the splendor and beauty of marriage by teaching how to build a strong foundation and how to restore love and confidence in that relationship Discover real treasure in the advice to be found in How to Build a Stimulating and Everlasting Love in Relationships
