The Language of Love and Respect Dr. Emerson Eggerichs, 2009-10-11 Why does communication between couples remain the number one marriage issue? Because most spouses don't know that they speak two different languages. Communication expert Dr. Emerson Eggerichs says that the problem is couples are sending each other messages in code but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect. Dr. Eggerichs' best-selling book *Love and Respect* launched a revolution in how couples relate to each other. In *The Language of Love and Respect* you will discover the basic communication differences between men and women. A biblical perspective with easy-to-use tips and advice. A quick review and summary for each chapter. This book offers a practical step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language: respect for him, love for her. The result is mutual understanding and a successful happy marriage. Previously released as *Cracking the Communication Code*.

Love and Respect in the Family Dr. Emerson Eggerichs, 2013-11-12 The secret to parenting success is out. Children need love, parents need respect. It's as simple and complex as that. Bestselling author Dr. Emerson Eggerichs has studied family dynamics for more than 30 years, earning a Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, he builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. When frustrated with an unresponsive child, a parent doesn't declare "You don't love me." Instead, the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset, a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child or teen negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. This book teaches you to see love and respect as basic family needs. Stop the Family Crazy Cycle of conflict. Parent in six biblical ways that energize your children. Discipline defiance and overlook childishness. Be the mature one since parenting is for adults only. Become a loving parent in God's eyes regardless of a child's response. Based on what the Bible says about parenting, this book focuses on achieving healthy family dynamics. Dr. Eggerichs offers unprecedented transparency from his wife and three adult children who share wisdom gained from the good, the bad, and the ugly of their family life. It's all here in this eye-opening exploration of the biblical principles on parenting that can help make families function as God intended.
