Love Me Through The Rain:

Through the Rain Marla Bernard, 2014-02-24 In a motel room on the east side of the city a little girl is brutally murdered by her mother's sadistic boyfriend for failing to know her ABCs. The family disappears along with the child's body and the scene of the crime spans over 1,000 miles. Despite the lack of a body, the detectives of the 1020 Squad obtain a conviction, but it will take another eight long years before the little girl's remains come home to rest. In a twist of fate, the 1020 Squad no sooner closes the final chapters of this case when the headless body of a tiny girl is found discarded in a makeshift dump site in the woods. Sgt. David Bernard and the 1020 Squad will work over four years following 1,500 leads and conducting the single largest area canvass in the history of the Kansas City Missouri Police Department before finding the true identity of the seemingly orphaned little girl known only as Precious Doe. *Through the Rain* is a candid and touching account of the painful impact that these brutal murders had on Sgt. Bernard, his family, and the KCPD's 1020 Squad. It chronicles the all too frequent stories of child abuse, failed social services, a flawed court system, and battered women who sacrificed their own children to shield their abusive lovers, echoing the same preposterous explanations of "but I love him." It is the story of a family, a group of committed volunteers, and a community who reached out to embrace Angel Lea Hart and Erica Michelle Marie Green, aka Precious Doe, and give them in death the humanity and affection they so desperately deserved in life.

My Life Through the Storm, the Fire, and the Rain Linda Tyler, 2021-03-29 Born 1970 in Georgia, Linda Tyler was the fifth child of her mother's six children. I birthed three children of my own in 1986, having had my first child at age sixteen. Dropping out of high school at age fifteen, later birthing two more children at age nineteen and around twenty-three. Still struggling to find my purpose in life, taking to the streets at an early age only to realize looking for love in all the wrong places would lead me down a path of self-destruction. Soon I found myself walking in my own mother's footsteps, birthing children that I wasn't caring for, raising, nurturing, and teaching them how to grow and to become smart, respectable, loving, moral, and vibrant young men and women. Later in life, in the early 2000s, I went back to school and received my diploma. This was a huge accomplishment for me; I knew without education I would be stagnant in my growth in life. Another great accomplishment happened also in the early 2000s: I met a nice guy who later became the love of my life, who later on became my husband, Romeo Lewis, who inspired me to be a better woman, mother, person, etc. A man that made me feel whole again. A man that became a huge father figure that my children didn't have. A man that loved all his children and grandchildren as well, that loves his family unconditionally. I want to share my story to inspire and help other young adults out there that maybe facing some of the same hardships as myself. Don't give up and don't give in; we all have a purpose to fulfill in one's lifetime. Keep the faith, and if you fall, get back up. Ecclesiastes 9:11 reads: "The race is not won to the swift but to the one who endureth till the end." PS: If I can do it, so can you.

I MADE IT THROUGH THE Rain DANIELLE, 2013-12 This book tells MY story. No one can imagine what I've been through. From the outside looking in, you'd never know my struggle.

Tears Before the Rain Larry Engelmann, 1990 CBS camera man Mike Marriott was on the last plane to escape from Danang before it fell in the spring of 1975 The scene was pure chaos thousands of panic stricken Vietnamese storming the airliner soldiers shooting women and children to get aboard first refugees being trampled to death Marriott remembers standing at the door of the aft stairway which was gaping open as the plane took off There were five Vietnamese below me on the steps As the nose of the aircraft came up because of the force and speed of the aircraft the Vietnamese began to fall off One guy managed to hang on for a while but at about 600 feet he let go and just floated off just like a skydiver What was going through my head was I've got to survive this and at the same time I've got to capture this on film This is the start of the fall of a country This country is gone This is history right here and now In Tears Before the Rain a stunning oral history of the fall of South Vietnam Larry Engelmann has gathered together the testimony of seventy eyewitnesses both American and Vietnamese who like Mike Marriott capture the feel of history right here and now We hear the voices of nurses pilots television and print media figures the American Ambassador Graham Martin the CIA station chief Thomas Polgar Vietnamese generals Amerasian children even Vietcong and North Vietnamese soldiers Through this extraordinary range of perspectives we experience first hand the final weeks before Saigon collapsed from President Thieu's cataclysmic withdrawal from Pleiku and Kontum Colonel Le Khac Ly put in command of the withdrawal recalls receiving the order I opened my eyes large large large I thought I wasn't hearing clearly to the last minute airlift of Americans from the embassy courtyard and roof I remember when the bird ascended says Stuart Herrington who left on one of the last helicopters It banked and there was the Embassy the parking lot the street lights And the silence Touching heroic harrowing and utterly unforgettable these dramatic narratives illuminate one of the central events of modern history It was like being at Waterloo concludes Ed Bradley of 60 Minutes It was so important so historical And today it is still very obvious that we Americans have not recovered from Vietnam Nothing else in my lifetime was as important as that as important as Vietnam

Crying in the Rain Mark Ribowsky, 2024-04-02 The Everly Brothers aka Don and Phil to fans with an intimate appreciation for them seemed to exist almost as an apparition Emerging within the formative era for young Baby Boomers during the blandly regimented 50s they were a ubiquitous presence clad in snug suits and skinny ties hair neatly Brylcreemed never raising their voices when they sang The two prim looking country boys with dark curiously penetrating eyes and perfectly merged honey dipped harmonies were oddly but comfortably settled as sentimental soothing sometimes lovelorn voices of a still uncharted cultural turf Magnificent as the duo was they have until now never received a definitive biography In Crying in the Rain The Perfect Harmony and Imperfect Lives Of the Everly Brothers the details small and great roll along on the mighty Mississippi in near

novel like fashion revealing facts drawn from exhaustive research and first hand interviews that trace the character and influences of these hardy but flawed men who grew from teenagers to old men before our eyes Mark Ribowsky's authoritative book serves as a fitting companion to an unforgettable collection of songs heard on countless albums and covered literally thousands of times whose recording was a long time gone but that will never be forgotten
