## **Loving From Your Soul Creating Powerful Relationships:**

**Loving from Your Soul** Shepherd Hoodwin, 1995 People everywhere are looking for a higher perspective on love than the popular view of romance *Loving from Your Soul Creating Powerful Relationships* an inspiring and unusual book by Shepherd Hoodwin goes to the core of the issue by exploring the nature of love itself It is a collection of discourses and counseling Hoodwin channeled from the Michael entity that views love as an eternal reality not dependent on other people or situations it is something we can learn to access all the time through connecting directly with our soul Michael is well known to readers of metaphysical books There are several Michael books in print from the work of various channels and most of them deal with a technical body of information called the Michael teachings However *Loving from Your Soul* is not a technical book It deals with topics such as sexuality anger body image loneliness boundaries listening friendship finding a mate and alternative lifestyles These subjects are framed within a larger context of explorations such as *Loving Yourself Being at Your Source Different Ways of Loving Oneness Communicating Your Whole Being and Expanding Love According to Loving from Your Soul* Love is a unified experience that does not cut off any portion of your reality When you are loving yourself you are loving others When you are loving others you are loving yourself When you are having joy in what you are doing you are giving joy to the world there is no separation between you and the world What does it mean to love and to be loved People everywhere are seeking a higher perspective than the popular view of romance This outstanding book goes to the core of the issue by illuminating the nature of love itself as a reality that is always available Topics include sexuality anger body image loneliness boundaries listening and finding a mate framed within a larger context With vibrant clarity it will have a resounding impact on the way we look at love from now on Sheila Andersen *Leading Edge Review* This book positively radiates love There is genuine wisdom here Key Carey author of *The Starseed Transmissions* *Loving from Your Soul* is quite beautiful Michael comes through loud and clear I m delighted that Michael is around Ram Dass author of *How Can I Help and Be Here Now* This is channeling at its best *Loving from Your Soul* is more than just excellent it captures a lovely combination of compassion and intellectual clarity John Friedlander author of *Psychic Psychology* *Loving from Your Soul* is superb and brings great joy It touches the profound depths of who we are It is far and away the best book on love I have ever read exploring how we can love from the deepest and strongest part of ourselves I experienced tears of recognition as I read it Mayo Gray author of *The Savage Season* The truths emerge powerfully in this loving compassionate material A wonderful experience Catalyst

**Journey of Your Soul** Shepherd Hoodwin, 2013-04-23 A fascinating discussion of the Michael teachings an extraordinary body of channeled work that addresses the fundamental questions of what it means to be human from an expert Michael channel Michael is a group of souls who teach that we are eternal beings journeying from the Tao and back again in an adventure of exploration and creativity Each step along the way we make choices that shape our experience For example after committing to a series of lifetimes we choose one of seven roles or soul types server priest

artisan sage warrior king or scholar These teachings address many age old questions such as How did we become who we are Why are we here Where are we going and How does the universe work In addition Journey of Your Soul sheds light on the channeling process itself answering questions such as How does channeling work Why do different channels receive conflicting information and What does it take to become a channel Hoodwin shows us that it is possible and indeed beneficial to engage all parts of the human consciousness His unique analytical approach to channeling will help readers gain a firm intellectual understanding of what is involved In his foreword Jon Klimo PhD author of Channeling Investigations on Receiving Information from Paranormal Sources says Shepherd Hoodwin has given us one of the best books to date about the phenomenon of channeling Journey of Your Soul may well also be the best of the Michael books due to its clarity thoroughness and detail and thanks to the fact that the author an exceptionally clearheaded Michael channel himself brings real integrity and authenticity to our understanding of Michael in particular and to the channeling process in general
