The Serpent's Tale Ariana Franklin, 2008 Ordered by Henry II to establish the possible role of Eleanor of Aquitaine in the poisoning death of Henry's mistress a reluctant Adelia Aguilar joins forces with her infant daughter's father the Bishop of St Albans during an investigation within the labyrinth walled tower of the victim's home By the author of *Mistress of the Art of Death* **Mazes of the Serpent** Roger B. Salomon, 2018-07-05 In a compact readable and accessible book Roger B Salomon explores the nature of horror in literature and in life Rather than minimizing horror by narrowly associating it with psychological drives persecution or extremism he approaches horror through the medium of narrative as a significant and enduring physical and metaphysical reality Salomon focuses on fictions of horror including eighteenth century Gothic and nineteenth century ghost stories He does not however isolate literary examples from more general human issues including religious belief *Mazes of the Serpent* takes up examples of horror from historical and personal narratives including battle memoirs and Holocaust testimonies as Salomon identifies certain common themes and qualities that cross the boundary between fiction and actual human experience The Death Maze Richard Parnes, 2015-07-22 Dr Dan Adams is grateful he has mastered the sixth dimension and is no longer controlled by Apep Now free to explore and understand without mortal

consequences the scientist uses his meditative powers to return to his inner self knowing there is work left to be finished Along the way those he meets and works with are just as stunning as the parallel world he must navigate Apep is angry destructive and more determined than ever to seek revenge for the loss of Dr Adams the one he wanted to enslave for all eternity But what his monstrous form does not realize is that his soul is on the verge of no longer being As Apep tries to manipulate the sixth dimension to reveal its open portal he hopes to find his way into the three dimensional world and force the humans to worship him Meanwhile as UCLA scientist Allyson Rayburn works to finish Dr Adams AGE project she and several others embark on a mission to first find the portal to the sixth dimension and then determine how to control it without becoming the next victims Unfortunately what they believe is possible is rapidly becoming an irrepressible force In this continuing tale a scientist must rely on help from his colleagues as he searches for spiritual oneness and understanding and attempts to defeat the evil within the sixth dimension

The Maze Maker Michael Ayrton, 2015-11-04 A book of rich texture and memorable qualities It belongs with the work of such other fine modern interpreters of myth as Mary Renault and Robert Graves The Wall Street Journal I address you across more than three thousand years you who live at the conjunction of the Fish and the Water carrier speaks Daedalus an artisan inventor and designer born into an utterly alien family of heroes who value acts of war above all else a world where his fellow Greeks seem driven only to destroy an existence he feels compelled to escape In this fictional autobiography of the father of Icarus Apollo's creature a brilliant but flawed man writer and sculptor Michael Ayrton harnesses the tales of the past to mold a myth for our times We learn of Daedalus's increasingly ambitious artifacts and inventions his fascination with Minoan culture commerce and religion and his efforts to adapt to them how he comes to design the maze of the horned Minotaur and how when he decides that he must flee yet again he builds two sets of wax wings wings that will be instruments of his descent into the underworld a place of both purgatory and rebirth A compelling mix of history fable lore and meditations on the enigma of art The Maze Maker will ensnare classicists artists and all lovers of story in its convolutions of life and legend I never understood the pattern of my life writes Daedalus so that I have blundered through it in a maze Proof of the power of classical myths to rekindle the interest and the imagination The New York Times A beautiful cruel and fascinating re-creation of the Daedalus Icarus myth
