The exam is extremely challenging and thorough test preparation is essential for success. Our study guide includes Practice test questions with detailed answer explanations. Step by step video tutorials to help you master difficult concepts. Tips and strategies to help you get your best test performance. A complete review of all MCAT test sections: Verbal Reasoning, Physical Science, Biological Sciences. MCAT is a registered trademark of the Association of American Medical Colleges, which does not endorse this product or its methodology. The Mometrix guide is filled with the critical information you will need in order to do well on your MCAT exam: the concepts, procedures, principles, and vocabulary that the Association of American Medical Colleges (AAMC) expects you to have mastered before sitting for your exam. The Verbal Reasoning section covers Reading comprehension, Critical thinking skills. The Physical Science section covers General chemistry, Physics. The Biological Sciences section covers Biology, Digestive system, Excretory system, Muscle and skeletal systems, Respiratory system, Skin system, Reproductive system and development, Organic chemistry, and much more. Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing but are explained in detail. The Mometrix MCAT study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of MCAT practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step by step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our MCAT Prep Book MCAT Secrets Study Guide is no exception. It's an excellent investment in your future.
