2 In false belief or in denial of all Christianity but with the preservation of faith in God as among the Mohammedans Jews pagans 3 In unbelief or in complete indifference to any faith in atheism that is in the denial of the objects of faith the existence of God the immortality of the soul 4 In fighting against God that is in an active struggle against any religious faith and in a fierce rebellion against God and all that is holy The most widespread form of apostasy as Bishop Theophan the Recluse believes will be the perversion of true Christianity heresy or the so called false Christianity The Gospel will be known to everyone he writes but one part will remain in disbelief in him the other the largest will be heretical not following the teaching of God but building their own faith by their invention although on the basis of the word of God And all such will appropriate themselves the name of Christians There will be a part and containing the true faith as it was betrayed by the Holy Apostles and kept in the Orthodox Church but of these a considerable part will only be Orthodox by name but in their hearts they will not have the order that is required by faith having loved the present age Although the Christian name will be heard everywhere and everywhere churches and church orders will be seen but all this is only visibility but inside the retreat is complete On this soil on the soil of false and hypocritical Christianity the Antichrist will be born and will grow up in the same spirit of appearance without the essence of the matter Then surrendering to Satan he will clearly deviate from the faith and all who do not contain Christianity in truth will be carried away to a clear apostasy from Christ the Lord forcing himself to believe for God Interpretation of 2 Epistle to Thessalonians pp 58 61 Author Biography Archimandrite Panteleimon was the founder and first abbot of Holy Trinity Monastery in Jordanville New York Father Panteleimon was born Peter Nizhnik on January 16 1895 in the village of Rechitsa Grodno Province Russia Immigrating to the United States in 1913 he found work in a factory in Chicago Spurred by the radical changes that were occurring in his homeland due to the Revolution and Civil War he entered St Tikhon s Monastery in Pennsylvania in 1918 Quickly ordained first a deacon and then a priest Fr Panteleimon was in charge of agricultural projects at the monastery Desiring a life even more removed from the vanity and bustle of the world he wanted to build his own monastery far away in the woods Along with a fellow desirer of the quiet monastic life Ivan Kolos the future Archimandrite Joseph Fr Panteleimon received permission to work in the Sikorsky factory in Connecticut to raise money to buy land for a monastery Eventually in 1928 he was able to purchase farmland near Jordanville NY where he started to slowly build Holy Trinity Monastery Facing many early challenges including a fire that burned down the first wooden church that was built Fr Panteleimon and his fellow monks nevertheless continued to labor and eventually were able to build a stone cathedral dedicated to The Holy Trinity along with a large building to house the monks and printing press Strengthened with the movement of the St Job of Pochaev Brotherhood from Slovakia which drew its roots from the famous Pochaev Lavra the monastery continued the printing tradition of the Pochaev monastery and became one of the main sources for Russian language spiritual literature and service books during the Soviet period Father Panteleimon was a tireless compiler and author of spiritual texts He fell asleep in the Lord in 1984 **The Friend** ,1866 *Congressional Record*
