It is a divine principle that God does not ask us to work until we have had rest and enjoyment. It is in a full enjoyment with Him and of Him that we can work together with Him. A central aspect of God's will is the church, which is the assembly of the called out ones. As such, the meetings of the church are crucial to the carrying out of God's will. Our doing God's will depends on our knowing His will, and it is in the meetings that God makes His will known to us. Since the Christian life is a meeting life and much of the Lord's work is carried out in and through the meetings, we should regard the meetings as being of great importance. The goal of our meeting together is to exhibit Christ; therefore, our Christian meetings should be an exhibition of our experience of Christ in our daily life. Since the Father's eternal will and the desire of His heart are to build up the church as the Body of Christ, we do His will by functioning in the meetings according to the scriptural way to meet for the building up of the Body. Abandoned Tracks W. Thomas Mainwaring, 2018-04-30. In *Abandoned Tracks*, W. Thomas Mainwaring bridges the gap between scholarly and popular perceptions of the Underground Railroad. Historians have long recognized that many aspects of the Underground Railroad have been mythologized by emotion, memory, time, and wishful thinking. Mainwaring's book is a rich, in-depth attempt to separate fact from fiction in one local area while also contributing to a scholarly discussion of the Underground Railroad by placing Washington County, Pennsylvania, in the national context. Just as the North was not consistent in its perspective on the Civil War and the slavery issue, the Underground Railroad had distinct regional variations.

Washington County had a well organized abolition movement even though its members helped a comparatively small number of fugitive slaves escape largely because of the small nearby slave population in what was then western Virginia Its origins as a slave county make it an interesting case study of the transition from slavery to freedom and of the origins of black and white abolitionism Abandoned Tracks lends much to the ongoing scholarly debate about the extent scope and nature of the Underground Railroad This book is written both for scholars of abolitionism and the Underground Railroad and for an audience interested in local history
