considered great in proportion to the limited means employed but to extend what is in homely phrase termed a right understanding the contents of the volume are of a mixed character the Author having due respect for the v emphatic words of Dr *Enquire Within Upon Everything* ,1903 **Routledge Library Editions: 19th Century Religion** Various Authors,2021-07-09 Reissuing works originally published between 1973 and 1997 Routledge Library Editions 19th Century Religion 18 volumes offers a selection of scholarship covering historical developments in religious thinking Topics include the origin of Catholicism in America sexual liberation and religion in Europe and the emergence of Atheism in Victorian England This set also includes collections of sermons and essays from some of the most influential preachers of the nineteenth century
