Emancipation to Emigration Brian Dyde, Robert Greenwood, Shirley Hamber, 2008 **Emancipation to Emigration**
Robert Greenwood, 1980 *The Legacy of Indian Indenture* Maurits S. Hassankhan, Lomarsh Roopnarine, Hans
Ramsoedh, 2016-11-10 This book is the second publication originating from the conference Legacy of Slavery and Indentured
Labour Past present and future which was organised in June 2013 by the Institute of Graduate Studies and Research IGSR
Anton de Kom University of Suriname The articles are grouped in four sections Section one concentrates on indenture in the
Caribbean and the Indian Ocean and includes four diverse but inter related chapters and contributions These reveal some
newly emerging impressive trends in the study of indenture essentially departing from the over used neo slave scholarship
Not only are new concepts explored and analysed but this section also raises unavoidable questions on previously published
studies on indenture Section two shows that there are many areas that need to be re examined and explored in the study of
indenture The chapters in this section re examine personal narratives of indentured labourers the continuous connection
between the Caribbean and India as well as education and Christianization of Indians in Trinidad The result is impressive The
analysis of personal accounts or voices of indentured servants themselves certainly provides an alternative perception to
archival information written mostly by the organizers of indenture Section three in this volume focuses on ethnicity and
politics In segmented societies like Suriname Guyana and Trinidad Tobago institutional politics and political mobilization are
mainly ethnically based In Suriname Trinidad Tobago and Guyana this has led to ethnic and political tensions These themes
are explored in these three articles Section four addresses health medicine and spirituality themes which until recently have
received little attention The first article examines the historical impact of colonialism through indentureship on the health
health alternatives and health preferences of Indo Trinidadians from the period between 1845 to the present The second
examines the use of protective talismans by Indian indentured labourers and their descendants Little or no psychological
research has been done on the spiritual world of Indian immigrants enslaved Africans and their respective descendants with
special reference to the use of talismans **'I Want to Disturb My Neighbour'** Verene Shepherd, 2007 This collection of
21 papers selected from presentations internationally reflect the depth and focus of Professor Shepherd s work over the past
ten years in the areas of conquest and colonialization slavery and anti slavery post slavery society the project of
decolonialization and the role of gender **Emancipation and Emigration a Plan to Transfer the Freedmen of the

Emigrants in Chains Peter Wilson Coldham,1992 In a story largely untold until now Peter Coldham s groundbreaking study demonstrates once and for all that the recruitment of labour for the American colonies was achieved in large measure through the emptying of English prisons workhouses brothels and houses of correction as felons rogues and social outcasts were transported fated to toil in the tobacco growing colonies of Virginia and Maryland Supported by a massive array of documentary evidence and first hand reports the author lays the focus on the emergence and use of transportation as a means of dealing with an unwanted population dwelling at length on the processes involved the men charged with the

administration of the system of transportation or engaged in transportation as a business then proceeding with a fascinating look at the transportees themselves their lives and hapless careers and their reception in the colonies Few transportees contrived to return to their native country when their sentences expired and it must be assumed that most such involuntary emigrants were assimilated into colonial society Their untold story may lack the romance of the cavaliers of Virginia and Maryland the heroic ring of a dispossessed aristocracy but it has the stark accent of truth This is a story to challenge common perceptions and attitudes about the peopling of the American colonies
