

THE HISTORY OF SHELBURNE FARMS

A CHANGING LANDSCAPE, AN EVOLVING VISION

By Erica Huyler Donnis — Foreword by Tom Slayton

History Of Shelburne Farms A Changing Landscape An Evolving Vision

Katrin Zwirgmaier

History Of Shelburne Farms A Changing Landscape An Evolving Vision:

The History of Shelburne Farms Erica Huyler Donniss,2010 **The Oxford Handbook of Public History**

,2017-09-20 The Oxford Handbook of Public History introduces the major debates within public history the methods and sources that comprise a public historian s tool kit and exemplary examples of practice It views public history as a dynamic process combining historical research and a wide range of work with and for the public informed by a conceptual context The editors acknowledge the imprecision bedeviling attempts to define public history and use this book as an opportunity to shape the field by taking a deliberately broad view They include professional historians who work outside the academy in a range of institutions and sites and those who are politically committed to communicating history to the wide range of audiences This volume provides the information and inspiration needed by a practitioner to succeed in the wide range of workplaces that characterizes public history today for university teachers of public history to assist their students and for working public historians to keep up to date with recent research This handbook locates public history as a professional practice within an intellectual framework that is increasingly transnational technological and democratic While the nation state remains the primary means of identification increased mobility and the digital revolution have occasioned a much broader outlook and awareness of the world beyond national borders It addresses squarely the tech savvy media literate citizens of the world the digital natives of the twenty first century in a way that recognizes the revolution in shared authority that has swept museum work oral history and much of public history practice This volume also provides both currently practicing historians and those entering the field a map for understanding the historical landscape of the future not just to the historiographical debates of the academy but also the boom in commemoration and history outside the academy evident in many countries since the 1990s which now constitutes the historical culture in each country Public historians need to understand both contexts and to negotiate their implications for questions of historical authority and the public historian s work The boom in popular history is characterized by a significant increase in both making and consuming history in a range of historical activities such as genealogy family history and popular collecting cultural tourism historic sites and memorial museums increased memorialization both formal and informal from roadside memorials to state funded shrines and memorial Internet sites increased publication of historical novels biographies and movies and TV series set in the past Much of this as well as a vast array of new community cultural projects has been facilitated by the digital technologies that have increased the accessibility of historical information the democratization of practice and the demand for sharing authority *Green Mountain Opium Eaters: A History of Early Addiction in Vermont* Gary G. Shattuck,2017 The green mountains lush valleys and riotous fall colors of idyllic nineteenth century Vermont masked a sinister underbelly By 1900 the state was in the throes of a widespread opium epidemic that saw more than 3 3 million doses of the drug being distributed to inhabitants each and every month Decades of infighting within the medical profession complicit doctors and druggists unrestricted access to

opium and bogus patent medicines all contributed to the problem Those conflicts were compounded by a hands off legislature focused on prohibiting the consumption of alcohol Historian Gary G Shattuck traces this unusual aspect of Vermont s past
Book jacket

Regreening the Built Environment Michael A. Richards,2024-09-18 Now in its second volume Regreening the Built Environment provides an overview of physical and social environmental challenges that the planet is facing and presents solutions that restore ecological processes reclaim open space foster social equity and facilitate a green economy Healing the planet requires a combination of strategies networked across multiple scales of development including buildings sites communities and regions Case studies from a range of locations in the United States Denmark Vietnam Germany South Korea Switzerland France and the United Kingdom among others demonstrate how existing gray infrastructure can be retrofitted with green infrastructure and low impact development techniques From this the author shows how a building can be designed that creates greenspace or generates energy likewise a roadway can be a parkway an alley can be a wildlife corridor and a parking surface can be a garden This new edition also includes case studies that have successfully reconnected communities that were fragmented by unjust planning practices and irresponsible patterns of development resilient design solutions in response to natural disasters passive design strategies that can make interior spaces more efficient and healthier and expanded discussions on capturing carbon renewable energy agriculture waste public transit and adaptive reuse including innovative ideas on how to reimagine the shopping mall in the era of e commerce The strategies presented in this book will stimulate discussions within the design profession and will be of great interest to students and practitioners of environmental studies architecture landscape architecture and urban design

Green Mountain Opium Eaters Gary G. Shattuck,2017-06-05 The green mountains lush valleys and riotous fall colors of idyllic nineteenth century Vermont masked a sinister underbelly By 1900 the state was in the throes of a widespread opium epidemic that saw more than 3 3 million doses of the drug being distributed to inhabitants each and every month Decades of infighting within the medical profession complicit doctors and druggists unrestricted access to opium and bogus patent medicines all contributed to the problem Those conflicts were compounded by a hands off legislature focused on prohibiting the consumption of alcohol Historian Gary G Shattuck traces this unusual aspect of Vermont s past

Vermont Women, Native Americans & African Americans Cynthia D. Bittinger,2012-05-15 Vermont s constitution drafted in 1777 was one of the most enlightened documents of its time but in contrast the history of Vermont has largely been told through the stories of influential white men This book takes a fresh look at Vermont s history uncovering hidden stories from the earliest inhabitants to present day citizens striving to overcome adversity and be advocates for change Native Americans struggled to maintain an identity in the state while their land and rights were disappearing Lucy Terry Prince was the first female African American poet who rose above racism to argue her case before Vermont s governor and won Educator and historian Cynthia Bittinger unearths these and other inspirational stories of the contributions of women Native Americans and African Americans to Vermont s
