Collier's Encyclopedia, 1986 **Educational Times**, 1892

The Faerie Queene as Children's Literature Velma Bourgeois Richmond, 2016-07-13 Edmund Spenser's vast epic poem *The Faerie Queene* is the most challenging masterpiece in early modern literature and is praised as the work most representative of the Elizabethan age In it he fused traditions of medieval romance and classical epic his religious and political allegory creating a Protestant alternative to the Catholic romances rejected by humanists and Puritans The poem was later made over as children's literature retold in lavish volumes and schoolbooks and appreciated in pedagogical studies and literary histories Distinguished writers for children simplified the stories and noted artists illustrated them Children were less encouraged to consider the allegory than to be inspired to the moral virtues This book studies *The Faerie Queene*'s many adaptations for a young audience in order to provide a richer understanding of both the original and adapted texts

Photographic Returns Shawn Michelle Smith, 2020-01-03 In *Photographic Returns* Shawn Michelle Smith traces how historical moments of racial crisis come to be known photographically and how the past continues to inhabit punctuate and transform the present through the photographic medium in contemporary art Smith engages photographs by Rashid Johnson Sally Mann Deborah Luster Lorna Simpson Jason Lazarus Carrie Mae Weems Taryn Simon and Dawoud Bey among others Each of these artists turns to the past whether by using nineteenth century techniques to produce images or by re-creating

iconic historic photographs as a way to use history to negotiate the present and to call attention to the unfinished political project of racial justice in the United States By interrogating their use of photography to recall revise and amplify the relationship between racial politics of the past and present Smith locates a temporal recursivity that is intrinsic to photography in which images return to haunt the viewer and prompt reflection on the present and an imagination of a more just future

Bowker Company,1982 Modernity, the Environment, and the Christian Just War Tradition Mark Douglas,2022-05-26 In this volume Mark Douglas presents an environmental history of the Christian just war tradition Focusing on the transition from its late medieval into its early modern form he explores the role the tradition has played in conditioning modernity and generating modernity s blindness to interactions between the natural and the political Douglas criticizes problematic myths that have driven conventional narratives about the history of the tradition and suggests a revised approach that better accounts for the evolution of that tradition through time Along the way he provides new interpretations of works by Francisco de Vitoria and Hugo Grotius and provocatively the Constitution of the United States of America Sitting at the intersection of just war thinking environmental history and theological ethics Douglas s book serves as a timely guide for responses to wars in a warming world as they increasingly revolve around the flashpoints of religion resources and refugees

Infinity, Faith, and Time John Spencer Hill,1997-11-26 In Part 1 Hill examines the effect of the idea of spatial infinity on seventeenth century literature arguing that the metaphysical cosmology of Nicholas of Cusa provided Renaissance writers such as Pascal

Traherne and Milton with a way to construe the vastness of space as the symbol of human spiritual potential Focusing on time in Part 2 Hill reveals that faced with the inexorability of time Christian humanists turned to St Augustine to develop a philosophy that interpreted temporal passage as the necessary condition of experience without making it the essence or ultimate measure of human purpose Hill's analysis centres on Shakespeare whose experiments with the shapes of time comprise a gallery of heuristic time centred fictions that attempt to explain the consequences of human existence in time Infinity Faith and Time reveals that the sixteenth and seventeenth centuries were a period during which individuals were able with more success than in later times to make room for new ideas without rejecting old beliefs [Accessing the Classics](#) La Vergne Rosow, 2005-12-30 Help readers improve reading skills while stimulating their appreciation and increasing their understanding of great literature Using a scaffolding approach this guide leads readers from simple and engaging reads to more challenging texts and simultaneously cultivates their interest and skills An invaluable resource for middle and high school ABE and ESL educators as well as for readers advisors All readers even those still learning to speak English can enjoy the delights and benefits of great literature with the help of this motivational and practical book guide Rosow takes you on a journey through the history of Western literature beginning with ancient myths and moving to medieval tales and classics of the Renaissance Romantic Movement and Modernism Along the way she shows you how to give readers easy access to some of the best literature of all time Scores of collections focus on such ancient and enduring stories as Gilgamesh Beowulf the tales of Chaucer historical masterpieces of William Shakespeare Jane Austen Edgar Allan Poe Charles Dickens and stellar names of more recent times such as Virginia Woolf John Steinbeck Ernest Hemingway and J R R Tolkien Each carefully selected collection lists an assortment of titles ranging in reading level and arranged progressively from simple renditions such as picture book retellings through more advanced selections and readings where audio versions and simpler formatting support the reader and on to the most challenging reads Author profiles and narrative as well as detailed descriptions of each title provide further insights into the story lines and features of the books while building a scaffold of reading experience and knowledge to help readers better understand the texts For example the Mark Twain collection begins with a brief biographical sketch of the author followed by descriptions of two illustrated books about the author and two readers theatre skits based on his work A collection of Twain's short stories is recommended next and then several illustrated versions of his novels and an illustrated edition of Twain's memoir Life on the Mississippi which is supported by an audiotape version Each recommended title is rated as start here next read support here or challenging read and related reads and audio and video versions are listed when appropriate The author also notes author and student favorites titles with exceptional illustrations and other features of interest Focus is on authors and titles of the Western canon that are generally available in library collections Because some of the titles cited are older editions this is a valuable collection development tool in libraries as well as an essential resource for readers advisors Adult Basic Education and English as Second Language
