History Of My Life Vols 11 And 12:

History of My Life Giacomo Casanova, Giacomo Chevalier de Seingalt Casanova, 1997-05-22 The last two volumes of Casanova's account of his extraordinary life include the story of his imprisonment in Buen Retiro his trip to Madrid and his affair with Doña Ignacia his journey to Barcelona and his detention in the Tower his encounter with Lord Baltimore and his serious illness in Aix en Provence when he is taken care of by a mysterious woman who turns out to be the servant of one of his first loves Henriette

The story of my life William Lennox, 1857

Trotsky Geoffrey Swain, 2014-05-22 Without Trotsky there would have been no Bolshevik Revolution but Trotsky was no Bolshevik Providing a full account of Trotsky's role during the Russian Civil War and concentrating on his time as an active participant in Russian revolutionary politics rather than his ideological writings of emigration Swain gives the student a very different picture of the Bolshevik Commissar of War This radically new interpretation of Trotsky's career spanning 1905-1917 incorporates the tense relationship between Trotsky and Lenin until 1917 and pays particular attention to the Russian Civil War and Trotsky's military organisation and contribution to the war Swain argues critically that Trotsky achieved where Lenin would have failed suggesting that Trotsky was in the main part responsible for the Bolshevik Revolution

The Dakota Conflict and Its Leaders, 1862-1865 Paul Williams, 2020-06-25 Custer Sitting Bull and Little Bighorn are familiar names in the history of the American West Yet the Great Sioux War of 1876 was a less notorious affair than earlier events in Minnesota during 1862 when over a few bloody weeks hundreds of white settlers were killed by Sioux led by Little Crow The following three years saw military thrusts under generals Sibley and Sully onto the Western Plains where hundreds of Indians as innocent as the white victims were cut down by American soldiers From this carnage Sitting Bull first emerged as a military leader This history reexamines the facts behind Sitting Bull's legend and that of the white captive Fanny Kelly

Fights of My Life Greg Combet, Mark Davis, 2014-08-01 Greg Combet has been central to some of the biggest public struggles of our time on the waterfront the collapse of an airline compensation for asbestos victims the campaign against unfair workplace laws and then climate change From an idyllic childhood on the Minchinbury estate in the western suburbs of Sydney Combet's world changed dramatically with the early death of his wine maker father The shy child was uprooted to the suburbs and an uncertain future A scholarship allowed him to study engineering and saw him appreciate first hand the role of unions in the workplace He rose to lead the Australian trade union movement and become a senior minister in the Rudd and Gillard Labor governments Along the way he has battled his own struggles with political ideology the impact of work on families and the loneliness of the parliamentary life His story is not just a personal memoir it is an insight into how power works in Australia who holds it how it is used and the ruthless ways in which it is snatched The Fights

of My Life is the story of a man who faces up to the power structures of politics big business and the media His latest target is the labour movement arguing that the Labor Party and the trade unions must democratise to engage the next generation of activists to fight the good fight to achieve a more fair and just Australia
