History of Political Philosophy from Plato to Burke Thomas I. Cook, 1937 **A Short History of Political Philosophy** Gaetano Mosca, 1972 **Lectures on the History of Political Philosophy** John Rawls, 2007 Printbegrnsninger Der kan printes 10 sider ad gangen og max 40 sider pr session *A History of Political Theory* George Holland Sabine, 1948 **Regime and Education** Ian Dagg, 2023-09-14 This volume is an inquiry into the history of political

philosophy by way of the general theme of education Each contributor addresses the relationship between a particular political philosopher s broad teaching on the best political order and that political philosopher s teaching about education The unifying contention of the work is that each political philosopher considered in the volume promotes a certain kind of political regime and therefore a particular mode of education essential to that regime Each chapter written by a separate contributor is distinguished from the others primarily by the political philosopher being considered The book has a chapter dedicated to each of the following political philosophers Plato Xenophon Aristotle Machiavelli Bacon Locke Rousseau Tocqueville and Nietzsche The volume provides a survey of educational models by some of the greatest thinkers of the West while continually demonstrating that the two themes of politics and education are inseparable

A History of Political Philosophy Henry J. Schmandt, 1960 **A World History of Political Thought** J. Babb, 2018-05-25 A World History of Political Thought is an outstanding and innovative work with profound significance for the study of the history of political thought providing a wide ranging detailed and global overview of political thought from 600 BC to the 21st century Treating both western and non western systems of political thought as equal and placing them as they should be side by side [The Oxford Handbook of the History of Political Philosophy](#) George Klosko, 2011-05-26 The Oxford Handbook of the History of Political Philosophy presents fifty original essays each specially written by a leading figure in the field covering the entire subject of the history of political philosophy They provide not only surveys of the state of research but substantial pieces that engage with and move forward current debates Part I addresses questions of method Contributors discuss the contextual method classically articulated by Quentin Skinner along with important alternative methods associated with Leo Strauss and his followers and contemporary post modernism This section also examines the value of the history of political philosophy and the history of the discipline itself Part II Chronological Periods works through the entire history of Western political philosophy While most contributions address recognizable chronological periods others are devoted to more specialized

topics including the influence of Roman Law medieval Arabic political philosophy Socialism and Marxism Aspects of the history of political philosophy that transcend specific periods are the subject of Part III Essays on topics such as democracy the state and imperialism trace theoretical developments over time The histories of major non Western traditions Muslim Confucian and Hindu are discussed in the final Part with special reference to their relationships to Western political thought
