#1 Hit and Run Norah McClintock, 2014-03-01 Fifteen year old Mike McGill has lived with his Uncle Billy since his mother's death. Only ten years older than Mike, Billy loves to party and he doesn't pay much attention when Mike starts getting in trouble. But nothing gets by Mike's history teacher, an ex cop named Riel, especially not long hidden information about Mike's mother. Her death might not have been an accident after all.

Nothing to Lose Norah McClintock, 2007 Robyn is shocked when she reads that a group of illegal immigrants has been found dead in a shipping container at the harbour. Then Robyn finds out that Nick is trying to help a girl who escaped from the shipping container and she finds herself dragged into danger along with the girl while a gang is hot on their tail.

Not a Trace Norah McClintock, 2005 The latest book in the Chloe and Levesque series with the dramatic new series look. Chloe has a kind of grudging respect for David Mitchell even though he appears to have a spring loaded temper so when he's charged with the murder of Trevor Blake she can't decide whether he's guilty or not. Mitchell is definitely the likeliest suspect he fought with Blake on the main street of East Hastings just before the murder but then some of the clues at the scene of the crime just don't add up. *Not a Trace* will include a sneak peak at the new Robyn Hunter series coming from Norah McClintock in 2006.

Out of the Cold Norah McClintock, 2007 Nick has disappeared without a word and Robyn doesn't know what to make of it. Could this be the end of their relationship? To keep her mind off her romantic woes she decides to volunteer at a drop in centre for the homeless. On her first day there she meets one of the other volunteers, a boy named Ben who seems hostile towards her. When one of the centre's clients, Mr Duffy, injures Robyn he's banished from the shelter for a week. On the coldest night of the year he is found dead. Ben blames Robyn for getting him banned from the shelter. Determined to have Mr Duffy properly remembered, Ben tries to find out more about him. To make amends Robyn agrees to help out. But what seems like another tragically sad death due to exposure might be something much more sinister. As Robyn and her friends find out more about Mr Duffy they realize that he was a man with a past and the chance that his death was an accident is very slim.

Over the Edge Norah McClintock, 2005 The death of a boy at Chloe's high school looks like an accident until Chloe discovers that he was blackmailing several other students. Was it accident or murder? Chloe's job as a newshound for her high school paper helps her uncover some startling truths. First it looks like Daria, the school's high profile poet, might have plagiarized some of her award winning poems. And then it appears that Peter, the writer of the paper's astronomy column, a boy recently found dead from an accidental fall over a cliff, was blackmailing Daria. And she wasn't the only one.
