Jerkoff Jason Lustmann, 2015-05-01 Author Jason Lustmann does not waste a single word on flowery descriptions he just grabs you and pulls you into a world of depravity and desperation from the very first page The story opens with the main character Jerkoff waiting outside a restaurant with a gun so he can blow his ex girlfriend's brains out and then segues back to his earliest memories ultimately coming full circle back to the restaurant What a ride We meet navy admirals with bestiality porn collections child molesters who run day care services and young women who sell their souls for 500 and the promise of stardom in the adult film biz But the book is funny as hell too Jerkoff wants only to jerk off in peace as he sits in a porno arcade and curses Rudy Giuliani for transforming Times Square from an avenue of filth into Disneyesque splendor When he signs on as chauffeur for rock legend Johnny Messiah Jerkoff is forced to do battle with a back stabbing personal assistant who is hell bent on getting him fired from the very start His methods of recruiting young women to do porn is pretty hilarious too but when one of them soon dies from a heroin overdose after shooting a scene suddenly it isn't so funny anymore Jason Lustmann is one of the most unusual literary voices to come along in a long long time and his novel Jerkoff is like nothing that has ever been written before It's a fast paced personal and engaging memoir of madness no book junkie will ever forget

Masturbation in Pop Culture Lauren Rosewarne, 2014-10-15 Through reference to over six hundred scenes from film and television as well as a diverse and cross disciplinary academic bibliography Masturbation in Pop Culture investigates the role that masturbation serves within narratives while simultaneously mirroring our complicated relationship with the practice in real life and sparking discussions about a broad range of hot button sexual subjects From sitcoms to horror movies teen comedies to erotic thrillers autoeroticism is easily detected on screen The portrayal however is not a simple one Just as in real life a paradox exists where most of us masturbate and accept it as normal and natural there simultaneously exists a silence about it that we do it but we don't talk about it that we enjoy it but we laugh about it The screen reflects this conflicted relationship It is there hundreds and hundreds of times but it is routinely whispered about mocked and presented as a punchline and is inevitably portrayed as controversial at the very least Masturbation in Pop Culture investigates the embarrassment and squeamishness sexiness and inappropriateness of masturbation showcasing and analyzing how our complex off screen relationship is mirrored in film and television *Pornographic Novel* Daniel f.

Masturbation Sunday Adelaja,2018-12-14 We live in a time where many people now question the essence of upholding core values which once were the bedrock for human relationships and societal development Especially when it comes to the subject of masturbation most people are still reeling in doubts and questioning if there is anything really wrong or harmful with this self indulging act If we are going to enjoy healthy living wholesome personalities thriving marriages and participate actively in positive societal transformations first of all we must ensure that we are enjoying real victories in our personal lives We must be living whole lives and enjoying complete freedom But what s wrong with masturbation you may ask Well masturbation is the use of sexual urges and ecstasy for one s self alone it is seeking to satisfy our sexual urge on our own terms ignoring the union of a man to woman which is God s grand design When most people masturbate they have to

conceive an image or picture a partner on their minds which is equivalent to what Jesus termed adultery in the book of Matthew For the young and unmarried masturbation could disfigure your personal value and interest in the beautiful institution called marriage leading to such a noxious problem that you cannot see the opposite gender without a single thought of sex Most people who are actively involved in the practice of masturbation will in no time lose taste for the institution of marriage Thus the real fight is to preserve the system God has provided for our personal satisfaction and eliminate the counterfeits that wreck the destinies of men One thing about masturbation is the fact that it is very addictive in nature It has a way of controlling and enslaving its victim the moment you taste of it for once It will beckon on you for more and at the same time making you weak exhausting valuable calories of your energy For some folks it could go even further into creating nervousness and neurological problems Controlling it could become a colossal menace I will however admit here that I personally suffered greatly from this practice I also stand to be a living testimony of victory over this and other sexual addictions It is this fact that informs me to share my experience with as many as are willing to listen I would like to affirm that experiencing total freedom from this bondage comes gradually through the exercise of your faith and patience as you take essential steps towards your liberty That is the reason I decided to outline here 20 concrete steps you need to take to break free These principles worked for me and many others therefore I am confident to make them available to you for your triumph in this area Thus this book you will find out 1 Reasons why masturbation is wrong 2 How don't let masturbation define you 3 How to protect your thoughts 4 How to close the gates 5 Why the state of your mind matters 6 How to learn to say no 7 How to do not surrender 8 How to use your will power 9 How to keep a distance from your object of lust 10 How to guard your mind diligently
