Jerusalem Prophecy Dr Don Bailey:

Jerusalem in the Light of Prophecy Don Bailey, 2008-05 For decades many Biblical scholars have adamantly argued that the Holy Spirit is the Restrainer of that lawless one in II Thessalonians 2 6 7 But what if they are wrong As an avid scholar and teacher of Biblical prophecy and one who held with bulldog tenacity to the Holy Spirit Restrainer view the author now is convinced that the doctrine is erroneous Jerusalem in the Light of Prophecy shows the teaching to be in error This book treats fulfilled and unfulfilled prophecies relative to the deliverances and destructions of Jerusalem with a strong emphasis on the identity of the lawless one the last destroyer of Jerusalem and proves beyond any doubt that the Restrainer now holding him in check is not an angel the Church or the Holy Spirit The author hopes that the reader will appreciate the conclusions of this challenging new approach to ancient Biblical prophecy especially with regard to The Restrainer in II Thessalonians 2 Research of all published material on the subject will not disclose a more detailed Scriptural and rational view Dr Don Bailey is an ordained minister a retired hospital chaplain and a veteran of the Korean War He has been a serious student of Biblical prophecy and Biblical literature for over fifty years with a fervent love for Israel Jerusalem and the Jewish people

Jerusalem Don V. Bailey, 2015-11-30 What if they are wrong those biblical scholars who have for decades adamantly argued that the Holy Spirit is the Restrainer of that lawless one in 2Thessalonians 2 6 7 After years of research Dr Bailey is convinced that the doctrine is erroneous Jerusalem City of Prophecy proves the Restrainer is neither the Holy Spirit nor an angel who holds the lawless one in check The book covers fulfilled and unfulfilled prophecies relative to all of the deliverances and destructions of Jerusalem with a strong emphasis on the identity of the lawless one the last great destroyer of Jerusalem It is a challenging new approach to ancient biblical prophecy especially with regard to the Restrainer of 2Thessalonians 2 6 7

Antarctica: the prison of fallen angels in Enoch's prophecy Cinzia Palmacci, 2023-09-21 Why do so many powerful people on Earth often go to Antarctica What do they know about us that is important Is Antarctica the kingdom of the antichrist One thing is certain the hybrid offspring of Lucifer for millennia have been interacting and working to pervert Creation and persecute humanity We see this from the iniquitous laws of a ruling class in corrupt and evil minded power It is written that Enoch and the prophet Elijah will return for the final battle against the antichrist And it doesn't seem to be that far off Knowing is defending and reacting Enjoy reading

Unreconciled Andrea Smith, 2019-12-13 In the 1990s many evangelical Christian organizations and church leaders began to acknowledge their long history of racism and launched efforts at becoming more inclusive of people of color While much of this racial reconciliation movement has not directly confronted systemic racism's structural causes there exists a smaller countermovement within evangelicalism primarily led by women of color who are actively engaged in antiracism and social justice struggles In Unreconciled Andrea Smith examines these movements through a critical ethnic studies lens evaluating the varying degrees to which evangelical communities that were founded on white supremacy have addressed racism Drawing on evangelical publications sermons

and organization statements as well as ethnographic fieldwork and participation in evangelical events Smith shows how evangelicalism is largely unable to effectively challenge white supremacy due to its reliance upon discourses of whiteness At the same time the work of progressive evangelical women of color not only demonstrates that evangelical Christianity can be an unexpected place in which to find theoretical critique and social justice organizing but also shows how critical ethnic studies interventions can be applied broadly across political and religious divides outside the academy
